**CAWS 2003 – Chicago, Illinois  
May 22-26, 2003**

“It’s a dry wind....”

Hello, I’m Michael and I’m an addict. I have the honor of being the Chairperson for CAWS 2003. Let me tell you a little about what’s happened so far. While at CAWS 2000 in Phoenix, several members suggested that Illinois host the 2003 Convention. I took the idea back to the Illinois Area and it was met with great enthusiasm. An ad hoc committee put together a bid and I presented it at the 2000 C.A. World Service Conference. Illinois won unanimously (there were no other bids...). I brought back the great news and the process began. We selected a steering committee, which was approved by the WSO. Not much happened until May 2001. At our Area Convention we opened up the selection of 26 subcommittee positions to the Fellowship. Our steering committee attended CAWS 2001 in New York City where we met with both the New York and Portland committees as well as the WSO. They gave us a lot of insight and help in planning. We have a terrific, exciting convention planned. Our venue, Hilton Chicago and Towers, is located on Michigan Avenue, on Lake Michigan. Chicago offers so much: the greatness of a large city with Midwestern warmth and friendliness. Food: great ethnic delicacies. Museums: so many are within walking distance from the hotel. Music: a smorgasbord of blues and jazz clubs. Scenery: parks and beaches right across from the hotel. There’s shopping on Michigan Avenue, zoos, and much, much more.

Thursday kicks off the fun with marathon and speaker meetings, workshops, and a night at the theatre. Friday continues with marathon and speaker meetings, workshops, plus a golf outing

and Miracle Mile boat cruise on Lake Michigan. Later, a blues concert and a D.J. dance are planned. Saturday, the meetings and workshops continue, as well as a day at the Navy Pier. This once old shipping facility has been turned into a wondrous place for food, fun, shopping and entertainment. Check out the City Trolley Tour, Second City Comedy Club, and our very own C.A. – The Game Show. You don’t want to miss the opportunity to show off your knowledge of C.A. history and the Big Book. Saturday concludes with a D.J. dance and live jazz. Sunday, run the Miracle Mile (or just walk it). Of course, speaker and marathon meetings, and workshops, plus an afternoon comedy show. The Banquet is followed by a dance and live concert. Monday offers the Spiritual Speaker meeting/brunch and, of course, a memorabilia bazaar.

**From The Chair of the WSO**

In spite of my prior service in CA, I have never before had the opportunity to write a column for the NewsGram. Needless to say, while I first thought this would be easy, it is both hard to get done and rather intimidating to compose. Anyway, like anything else in our program, I realized that I should stop waiting to get into the mood to write and "just do it." So here goes:

First of all, I want to say hello to the fellowship and thank the WSBT for their trust in appointing me Chair of the World Service Office. While I have spent several years as a member of the WSO Board, in one form or another, I was never the Chair and boy do I have a lot to learn. So far, what I can report is that CA has a very hard working World Service Office Board and well as hard working office staff. I want to express my thanks to everyone with whom I work.

I wish to announce that the WSBT has also added an additional Director to the Board, Earl H. from the San Gabriel/Pomona Valley. Earl has already began such projects as evaluating our telephone system and billing as well as exploring the possibility of changing our method of conducting telephone conferencing, all in the hope of saving money in these areas.

I also wish to announce that we have finally reached the WSC budget goal of \$10,000.00 to produce a PI video. As you may remember, this was passed by the WSC and we have been waiting to receive enough funding to contract for such a video. Now we can go forward.

Lastly, I would encourage all of Cocaine Anonymous, especially the Areas and Districts, to think of World Services when they are going over their donations and budget. It cannot be stressed enough that in order for the World Services to carry out its mission as directed by the WSC and WSBT, it needs sufficient funds to do so. We certainly thank all of you in the fellowship who send us contributions. If you are not sure where your area or district stands in this regard, perhaps you might take a moment and look at the back cover of the NewsGram to see how your area or district is doing in donations to World Services.

Thank you for all of your support.  
Bob C.  
Chair of the WSO

## CA 20th Anniversary

By Susan D.  
Miami, FL

At the World Service Conference held this past August in Los Angeles, a motion was passed unanimously to observe November 18, 2002, as a day of observance commemorating the first CA meeting twenty years ago.

Morris R., Tennessee delegate, read the motion and the conference body voted with unified excitement. As near as they could to the November 18th date, Cocaine Anonymous meetings worldwide celebrated by holding fundraisers, meetings, special functions, topic speakers, or simply making special mention of this occasion. On that day, members of Cocaine Anonymous worldwide had the opportunity to acknowledge and honor this fellowship which has given so much to so many for two decades. Since that night twenty years ago, Cocaine Anonymous has grown from one meeting in Los Angeles, to thousands of meetings in many countries on several continents, every day and night of the week! New meetings are being started daily in new cities and countries and membership grows as more and more addicts come into recovery by way of Cocaine Anonymous.

## The Greatest Show

Neil B.  
Westside Hollywood, CA

On November 19, 2002, I went to the greatest show in town. No, it wasn't the circus - it was the 20th anniversary of Cocaine Anonymous. CA was started in November of 1982 in Los Angeles, California. Do you remember where YOU were that day? Well, I do, I was clean and sober. My name is Neil B., and I have more than twenty-one years of sobriety. I was also asked to speak at this function, and it was an amazing experience.

Imagine men dressed in suits and women in dresses and gowns - all recovering addicts. They were all there to help CA's sobriety and to help their own sobriety. You could feel the excitement! As I looked over the huge banquet room, I saw many faces of people I have known for many years and have seen do a lot of service in Cocaine Anonymous. It was a wonderful feeling. Besides myself, we also had a speaker who is from South Central Los Angeles. She told her story and it was moving. We both spoke about being of service and about how grateful we are to be sober in CA.

Toward the end of the meeting they had the sobriety countdown. I had the most time there, but there was also one person with one day of sobriety. When that person was recognized, the room exploded into a loud chant of "keep coming back" over and over. It was electric!

Isn't it great to be clean and sober? I hope to be at the 25th anniversary too. But for now, I will be at the Cocaine Anonymous World Convention in Chicago with one of my pecan pies in hand.
