

To All Area Delegates:

Thank you for taking the time to distribute the 2009 World Service Public Information Survey to your Area. This survey will assist our committee in updating the Fact File and to better understand the growth and diversity of the Fellowship we serve.

We ask that **before** you photocopy and distribute the survey to your Area:

1. Please ensure that your Area's name is written on the appropriate line.
2. We ask that all completed surveys be returned to CAWSO by July 31, 2009
3. Please provide a copy of the letter "To Group Representatives and Other Trusted Servants" to all meetings along with copies of the survey. This letter gives them some helpful hints on how to present the survey at their meetings.
4. When discussing this survey with your Area/District, please emphasize the importance that members of our Fellowship **only complete the survey once**, whether that is on paper or online.

We thank you in advance for your eager promotion of this survey and your participation.

In service,

The CAWSC Public Information Committee
