STATEMENT OF PURPOSE

The purpose of the World Service Convention is to promote enthusiasm and unity within the fellowship of Cocaine Anonymous and financially support World Services effort to carry the message to the addict that still suffers.

STATEMENT OF POLICY

In keeping with both the 12 Traditions and the spirit of service work in Cocaine Anonymous (C.A.) it is appropriate for C.A. members involved in service to be careful in their dealings with outside vendors, businesses and/or services. Specifically, quite often what is service work to the C.A. member is business, i.e. money, to the business being dealt with.

Consequently, the business may provide, or at least attempt to provide, certain “perks” i.e. benefits, gifts, etc. to the C.A. member or members responsible for the decision as to who to use or buy from for the particular C.A. event/activity. What is important here is that the fellowship receives the benefit of impartial decisions based upon what is best for the fellowship. Whenever a decision-maker is the recipient of “outside benefits,” there is always the possibility that his or her judgment may be affected.

Moreover, even when the receipt of such benefits does not, in fact, influence the C.A. member, it nevertheless gives that appearance to others, both inside and outside the fellowship. Such an appearance can only lead to unnecessary controversy and discounts such as travel expenses, free hotel rooms, etc. are standard benefits of doing business with the particular business involved. Such benefits belong to the fellowship of Cocaine Anonymous and, as such, must be treated accordingly i.e. property of C.A. is managed and/or disbursed via the group conscience of the: World Service Conference, World Service Board of Trustee, World Service Office Inc. and the group.

Certainly none of us would ever knowingly “take” the property of C.A. much less ever want outside businesses to believe that a C.A. member in service could be so influenced. Such action could only lead C.A. to have a tarnished reputation with the business community.

In light of the above, it seems only appropriate that members in service agree with and acknowledge this Statement of Policy.

CONVENTION STATEMENT OF ANONYMITY

Anonymity is one of the most important issues in the structure of Cocaine Anonymous. Therefore, in observance of the Eleventh Tradition of Cocaine Anonymous: “Our public relations policy is based on attraction rather than promotion: we need always maintain personal anonymity at the level of press, radio, television and films.”

We earnestly request that those gathered here honor this condition of anonymity. In keeping with our traditions, we request that no photographic or video recording of the convention be distributed, published, or downloaded in any general public forum including the internet and/or any other electronic communications network. We specifically request that members refrain from posting on any social networking site any convention photos or videos which identify any activity, entity or person as being associated with Cocaine Anonymous. If you should happen to recognize someone here who identifies themselves as an addict, please keep that knowledge strictly to yourself.

- 7) It is suggested that the convention be held between May 1st and July 15th.

- 8) These Convention Guidelines recognize the responsibilities of the World Service Board of Trustees as more fully described in the bylaws of Cocaine Anonymous World Service Office Inc., The Twelve Concepts and The Conference Charter, to oversee the activities of Cocaine Anonymous World Service Office Inc., including the convention, with respect to finances, traditions, and all matters which affect C.A. as a whole.

- 14) In consideration of smokers and non-smokers, we are guided by the local laws of the area or rules of the facility. Where smoking is allowed, accommodations should be made for smoking and non-smoking sections with appropriate ventilation.
- 15) These Convention Guidelines are not comprehensive and cannot cover all specific situations that might occur in the future. When questions arise that are not addressed in these guidelines, the Host City Committee Chair, the WSOB Chair, WSCCC Chair, the Host City's Regional Trustee and the WSOB Treasurer have a group conscience to resolve the issue as many aspects of a World Service Convention have the potential to affect the fellowship as a whole.
- 16) It is recommended that the Convention Statement of Anonymity be read at the beginning of each speaker meeting at all World Service Conventions.
- 17) The closing prayer at the CAWS Convention should be left to the discretion of the Host City while always remembering the diversity of our fellowship and our preamble which states that we are not allied with any sect, denomination, organization or institution.
- 18) Any raffles/drawings held by a CAWS Convention observe the state, local, county or any other applicable laws and are subject to the approval by the WSOB.

- 21) Donations to the scholarship fund are to be limited to basic registrations only.
- 22) It is required to print A.A. disclaimers on any A.A. material adapted for C.A. use.
- 23) It is recommended that the Host City Committee carefully consider the WSCC Statement of Purpose regarding financial support when determining scholarships awarded.
- 24) Co-Anon Registration

- i) Will be handled using one of the following methods:
 - (1) C.A. will collect the registration fee, provide meeting space, coffee, hospitality room and registration badges.

OR

- (2) Co-Anon will handle / collect their own registration fees and provide their own registration badges.
- ii) Co-Anon must make a selection of which option it desires not later than March 1st of the year prior to the applicable CAWS Convention. i.e. for the CAWS Convention in 2010, Co-Anon would be requested to inform the WSO of its selected option not later than March 1st, 2009.
- iii) CAWS registration forms will reflect the Co-Anon option as follows:
- iv) If option one is selected, CAWS registration forms will provide a checkbox for Co-Anon members and the following disclaimer:

“While being mindful of the impact of our disease on those who care about us and the support we receive from them, we in Cocaine Anonymous are guided by our Sixth Tradition. As such, we must ensure that our desire to cooperate with Co-Anon in thought, action and spirit does not result in affiliation, either outright or implied.”
- v) If option two is selected, CAWS registration forms will not include a registration checkbox for Co-Anon members. However, it will include the following Co-Anon information in the registration section as well as the standard Co-Anon disclaimer:

** NOTE ** For Co-Anon and/or Co-Lateen registration forms, please contact {add info}.

“While being mindful of the impact of our disease on those who care about us and the support we receive from them, we in Cocaine Anonymous are guided by our Sixth Tradition. - 27) Speaker meetings are open to anyone who wishes to hear the message.
- 28) It is recommended that a registration form be prepared for distribution at the World Service Convention previous to that convention. If the host area/region requires prior registration samples, the WSO should be contacted.
- 29) If an early registration package is offered for under \$100.00, items to be included are determined by the host city.
- 30) Any flyers, newsletters, registration forms or other printed material must include the registered C.A. logo.

- 33) In keeping with the WSCCC statement of purpose to promote unity, open meetings are encouraged and the use of executive session is preferable when sensitive issues need to be discussed by committee members.
- 34) Registration forms will include a check box to state, "Translator Needed" with a space for a description of the type of translation required (i.e. Spanish, Sign, French, etc.)
 - Translator Needed _____

- 36) Upon completion of a World Service Convention the host area will be eligible to receive a donation from Cocaine Anonymous World Services in the amount of \$2,500, once goals have been met. Where a convention net receipt is greater than 20% of the conference approved budget net increase in assets, donation to the host area will increase to \$3,750.

**** NOTE**** These guidelines are suggested, except for financial and budgeting purposes, and except in matter relating to the Spending Committee. It is recommended that the Host City/Area/Region follow the suggested CAWS Convention Committee Flow Chart as closely as possible. However, each Host City/Area/Region may create any other subcommittees or coordinators as the need arises.

CHECK REQUEST PROCESS

Check Request Forms can be found at the back of the World Service Conference Convention Committee Guidelines. All requests for convention-related checks and expense reimbursements should be submitted using this World Service Office (WSO) approved form. An electronic, fillable version of this form is available through the WSO.

The process of getting access to committee funds for a C.A. World Service Convention is different from an Area or Regional convention - the standard approval process can take up to 3-months for final WSOB authorization to approve and cut checks. Sub-committee chairs and members should be aware of this timeframe and plan accordingly.

- 1) Sub-Committee chair submits a Check Request to their Steering Committee Chair
 - a) Check request should include the following:
 - i) Budget information
 - (a) Identify line item(s) associated with the check request
 - (b) Identify the remaining budget for the above line item
 - ii) Backup documentation supporting the expense
 - (1) Receipts, invoice, copy of bid, etc.
- 2) Steering Committee chair will review and approve or returns to sub-committee for revision.
- 3) Once approved by Steering Committee Chair, Check Request Form is submitted to the Spending Committee for review
- 4) Spending Committee reviews and approves Check Request or returns it to Steering Committee Chair for reconsideration and/or suggested revisions.
- 5) Once approved by the Spending Committee, the Check Request is sent to the WSO for review and/or approval by the WSOB
 - a) If this is a budgeted expense item under \$500 and all documentation is in order, typically, no further consideration by the WSOB is required for approval
 - b) If this is an expense exceeding \$500 and the Vendor Bidding process has taken place and all documentation is in order, typically, no further consideration by the WSOB is required for approval
 - c) If this is an expense exceeding \$500 and no bids have been received, then the Vendor Bidding Process will be invoked OR the Check Request Form should include documentation outlining why no bids will be forthcoming.
- 6) If a check is to be made payable to an independent contractor, vendor or service provider a W9 form should be completed by the 3rd party and the W9 form should be submitted along with the Check Request Form.

VENDOR BIDDING PROCESS

Bids are required for expenses which exceed \$500. If an item is truly unique (e.g. a 1st edition Big Book) and no bids can be obtained, the Check Request Form submitted to the WSO will require an explanation as to why less than three bids accompany the request exceeding \$500.

In addition to the 3-month Check Request process, contracts between the WSO and an out-of-state vendor/contractor/service provider may require additional processing time – committees should start gathering bids early in order to meet the timelines required for a World Service Convention. When entering into any contract or signed agreement, CAWSO Inc. will be the only authorized signer - no members of the Host Committee may enter into a contract on behalf of CAWSO Inc.

- 1) The sub-committee drafts a Request For Proposal (RFP)
 - a) RFPs should be reviewed and approved by the Convention Steering Committee
 - b) RFPs should clearly state that Cocaine Anonymous World Service Office Inc. will require a W9 for any labor or service expense incurred by US vendor in the amount of \$600 or more during a calendar year (January 1- December 31)
- 2) RFPs should be sent to up to 6 potential bidders in an effort to ensure 3 bids are received.
- 3) The sub-committee reviews bid(s) as they come in
- 4) Once 3 or more bids are received, a bid package is prepared for submission to the Sub-Committee's Steering Chair.
 - a) Bid package should include a minimum of 3 bids.
 - b) Bids must be received in writing – preferably on official company letterhead.
 - c) Bids submitted for further consideration should include all information required to enter into a contract such as company/contractor name, address, contact info (email & phone), contract date(s) & time(s), payment method and any deposit requirements.
 - d) Sub-committees are encouraged to provide a brief explanation as to why a particular vendor/entertainer/service is preferred.

Assuming the committee has a preference, they should prepare a Check Request Form to accompany the bid package.
- 5) The Steering Committee Chair will forward the bid(s) to the Steering and Spending Committees for further review and approval
- 6) Upon Spending Committee approval, the bid package(s) and accompanying Check Request Form are submitted to the WSO.
 - a) WSO will forward bid packages to the World Service Trustee (WST) for review by the Trustee Negotiating Committee (TNC).
- 7) WSO will prep bids and check requests for review and approval by the WSOB.
- a) Bids received by the WSO at least 1-week prior to the WSOB meetings (2nd and 4th Thursday of the month), will be reviewed by the WSOB in the same month.
- b) If bids do not include all required contractual information, they will be returned to the Host Committee for completion.
- 8) Upon WSOB approval, CAWSO Inc. will complete the contractual requirements and return a fully executed contract to the Host City Convention Committee.

APPOINTMENT AND REMOVAL OF THE CAWS CONVENTION CHAIRPERSON

Appointment:

Immediately following the selection of the host area/region by the C.A. World Service Conference, nominations for candidates for the position of chairperson of the World Service Convention will be interviewed by a board consisting of the Trustee of the region, the WSCCC Chairperson, Vice-Chairperson and Secretary(s). Following this interview, the board will vote and choose the chairperson by group conscience. Candidates not chosen shall be contacted by the WSCCC Chair, by phone or email, within 30-days of the completion of this selection process, to inform the candidates of their decision. The above-mentioned process will take place and be completed within six (6) months of host area/region selection by the WSC.

Removal:

If a CAWS Convention Chairperson fails to meet the duties as outlined in the WSCCC Guidelines or no longer meets the sobriety requirements, a board consisting of the Trustee of the Region, the WSCCC Chairperson, the WSCCC Vice Chairperson and WSCCC Secretary(s) will vote to remove said CAWS Committee Chairperson for just cause. Removal of the CAWS Committee Chairperson requires a two-thirds (2/3) majority vote. If the CAWS Committee Chairperson is removed, within sixty (60) days of removal, the host area/region shall submit three (3) nominations with a minimum of two (2) to fill the vacant CAWS Chairperson position. The above mentioned election committee will elect a new CAWS Chairperson for the vacant position within thirty (30) days of receipt of resumes by group conscience.

BIDDING GUIDELINES

- 1) Any Area wishing to host the CAWS Convention must submit all bidding communications in writing to the Regional Trustee, the Chairperson of the WSCCC and the WSO.
- 2) It is suggested that the C.A. World Service Convention bid be supported by its region. It is also recommended that the Regional Assembly support the bidding City/Area/Region. If more than one area within the same region is interested in bidding to host a World Service Convention in the same year, it is suggested that it is discussed in the Regional Assembly prior to bid submission.
- 3) The Convention Committee, the chairperson of the WSCCC and its members are available to aid you in preparing your bids.
- 4) The organization of the bid and the contacting of organizations i.e. local tourist or convention bureaus should start as soon as your area/city decides to bid to be the host.
- 5) Any area, within the U.S., bidding for the World Service Convention, should be incorporated with a 501-3C determination from the IRS. Areas outside the U.S. should provide proof of charity / non-profit status, in good standing, in accordance with the host country's laws and regulations.
- 6) Promotion of your city should not take place until the C.A. World Service Convention prior to the year you are going to present your bid. It is suggested that the area not use fundraising, outside their region, as promotion for an upcoming bid.
- 7) Completed convention bids must be submitted to the WSO, Chairperson of the WSCCC and the Regional Trustee at least ninety (90) days prior to the start of the WSC in order for the bids to be substantiated. Bids should be submitted in the local currency as well as US Dollars when applicable.
- 8) The substantiated bid is brought to the WSCCC at the WSC to be considered on the Conference Floor. Bids will be accepted by the WSC for consideration no more than four (4) years prior to the event.
- 9) All bid packets (PDFs, PowerPoints, videos, etc.) must be submitted to WSCCC steering committee 24 hours prior to conference kick off.
- 10) Be prudent in the amount of fellowship money spent on you presentation - substance will be more effective.
- 11) Each Host City/Area/Region should obtain written bids from 3 different hotels in their area. Hotel bids should be valid for at least 6 months following host city selection.
- 12) The following pages are an example of the type in information needed for a CAWS Convention bid.
- 13) It is suggested that the net income exceed 40% of the convention expenses.
- 14) All bids from host city/area/region must submit budgets reflecting attendance of 600, 900 and 1200 paid registrants.
- 15) All areas/regions submitting bids to host the CAWS Convention should also put forth a slate of at least three (3) nominations, for the Convention Chairperson position. Service resumes will be included with submitted bids, in addition these candidates should be ratified by the city/area/region submitting the bid. This helps the WSCCC when evaluating the preparedness of the potential hosting city.

BIDDING GUIDELINES AT CONFERENCE

- 1) We suggest that the Bid Committee Chair initiates and maintains communication with the WSCCC Chair throughout the bidding process.
- 2) Provide 25 printed copies (10 for Conference Committee, 2 for Archives, and 13 for WSCCC used for vetting the bid). Electronic copies will be made available for everyone on the floor.
- 3) Bid Committee representatives will present to the WSCCC at conference and will be expected to be available to answer questions before they present on the floor.

Vetting CAWS bids

One of the responsibilities of this Committee is to facilitate the selection of the Host City for the annual CAWS Convention each year.

- Committee members will have access to the bids in the SR14 Mailing prior to conference
- A subcommittee is identified to substantiate the bids.
 - The subcommittee ensures that the bid is in compliance with the Bidding Guidelines as found in the WSC Convention Committee Guidelines.
- Identify where information may be lacking or not complete (if possible before Conference, a member of our Committee would reach out to the Bidding Host City to request the missing or lacking information)
- During the World Service Conference itself, each Bidding Host City would meet with this Committee during the non-floor Conference time to present in full its bid presentation and to also answer any questions which any members of this Committee may have.
- After the presentation and meeting with our Committee of each Bidding Host City, our Committee would vote on each bid as to whether the bid complied with the bidding guidelines. If there was a no vote, then this Committee would immediately work with that Bidding Host City to help those members fix the areas in the bid and/or presentation which had been lacking. After this time, this Committee would vote again. Note that this vote would not be taken as recommending any bidding Host City, rather it would just ensure that the respective bids were compliant with the Bidding Guidelines.
- The Chair of this Committee will work with the Conference Committee to schedule a time when the bids would be presented to the Conference floor. A blind drawing of all bids would occur to pick the order of presentation. The Chair of this Committee would also let each Bidding Host Committee know the time and presentation order/schedule, and amount of floor time allotted to their presentation.

Substantiation Checklist for CAWS Bids

1. Was the bid sent to the WSO, Applicable Regional Trustee and Convention Chairperson

90 days before the start of the World Service Conference for that year?

2. Was there a certification that the bid was supported by the applicable Region?
3. Was there a certification that the applicable Regional Assembly supports the bidding City/Area/Region?
4. Are there at least three bids from hotels in the area?

5. Is there a spreadsheet of proposed convention revenue and expenses for each designated number of paid registrants – for 600, 900, and 1200 paid registrants respectively?
6. Does the net income for each number of paid registrants (600, 900, 1200) exceed at least 40% of the convention expenses?
7. Does the bid format match the format as set forth in detail in the Bidding Guidelines? Note, at this time, this format is five pages in length. If there are any sections missing, list them and then have the Bidding Host Area submit the missing information as soon as possible.
8. Is there a slate of at least two (preferably three) nominations for convention chairperson?
9. Is their bid detail adequate specifically as to prior convention experience, including but limited to, convention net gain, prior fundraising experience, event and monies raised, and number of span of years of prior conventions hosted in the City/Area/Region?
10. Do the figures and calculation add up?

**** Keep in mind that a bid is only a projection****
