The Importance of the C.A. Archives

In March 2001, two Buddhist statues, the largest in the world and nearly 1500 years old, were blown up in Afghanistan by a group associated with the Taliban. The niches that housed them were now totally empty. The destruction is a big loss not only to Afghans, but to all human beings, since the Bamiyan Valley has a long and rich cultural history that significant to people with different cultural backgrounds.

**mnemnocide**: ne-MO-side — the deliberate destruction of records and documents — the destruction of memory.

*The destruction of archives and records is a destruction of the unseen, not of flesh and blood but that of the soul of a people.* — Patricia Sleeman “Cultural Genocide”
The C.A. World Service Archive Committee collects, preserves, catalogs and represents the historical record of C.A.’s World activities.

Our archives can tell us more about our membership, our committees, our procedures and most importantly how we got from way back when to where we are now, which can have a tremendous bearing on where C.A. headed.

Our C.A. Archive can tell us stories and increases our sense of C.A. identity and helps us to understand of our fellowship, both locally and globally. This dynamic not only focuses our C.A. identity, it also facilitates C.A. Unity.
Cocaine Anonymous Firsts
From 1982 to 2019
In the Beginning: November 16, 1982

Tom K., the owner of an "entertainment industry sober living facility called "Studio 12" identifies the need for a group for cocaine-addicted people to talk about their struggles and sobriety.

In November 1982, Johnny S. who has been sober through the Motion Picture Recovery House in the Valley gets a call from Tom K., the Director of the Motion Picture and Television Fund's alcoholism and drug program.

Tom K. plans to host an AA Meeting for addicts, specifically cocaine addicts, at the Motion Picture Fund in Hollywood, California” because if you go to AA meetings and talked about drugs, they asked you to leave.”
First C.A. Meeting: November 18, 1982

Tuesday, November 16, 1982 – Nineteen "sober men and women" attend the “Whatever” meeting of AA to talk about cocaine. After the meeting Johnny S. and several other attendees meet and decide to start a Thursday night meeting and call it Cocaine Anonymous.

Thursday, November 18, 1982, the first meeting of C.A. is takes place in Los Angeles [Hollywood], California. Veronica is the secretary and calls the meeting to order with a gavel and announces:

“Welcome to the first meeting of Cocaine Anonymous, a fellowship of men and women who share their experience, strength, and hope with each other and help others recover from their addiction.”
To advertise its new program to combat cocaine addiction, the Beverly Glen Hospital in West Los Angeles took out ads in the entertainment trade publications, such as Billboard, The Hollywood Reporter and Daily Variety, as well as the Westside edition of The Times.
The Beverly Glen Hospital had closed meetings on Wednesday nights only for patients, using the name, Cocaine Anonymous.

After the first November 1982 C.A. meeting took place, Beverly Glen opened their meeting on Wednesdays to everyone. So, within a week of starting, there were two Cocaine Anonymous Meetings by the end of Nov. 1982.
Tom K., an A.A. member, is a “strong help” to the budding C.A. group. He helps find rooms for meetings, set up work committees and shows them how to do a directory and get things organized.

Above: Tom K. C.A. Meeting List  *Note: The Tuesday meeting on both lists display the A.A. “Whatever Group.”
the new hollywood connection: 'cocaine anonymous'

"Cocaine Anonymous" programs have begun in Los Angeles. One, involving a private group in Studio City, was organized by a man who attends Kenny's sessions. Another takes place at Beverly Glen Hospital (see accompanying article).

Kenny said he "was getting a lot of calls from people with cocaine problems. When I suggested they check out Alcoholics Anonymous, some said their problem was cocaine and they didn't think they could relate to A.A. So I got together with two or three people in the industry who had overcome their cocaine habit, and we started the meeting by word of mouth."

In five weeks, the attendance has doubled. Kenny is bracing to organize more such meetings after the holidays, to deal with the expected response to a major drug and alcohol awareness effort by movie studios. Kenny is preparing 25,000 "awareness cards" listing the warning signals of drug and alcohol addiction and his phone number. In early fired if they go through a treatment center successfully."

The self-help program is based on the same principles as AA, he

Above, Tom Kenny, who started the "Cocaine Anonymous" program, which will be publicized with awareness cards, left, in pay envelopes of employees at the major studios.

"The bottom line on this question of people who say they have only a cocaine problem is that when they go broke from buying..."
February 1983 – The secretaries of the six C.A. meetings got together and formed what eventually became the first General Services Organization.

Ray G. is in charge of the Cocaine Anonymous phone number. It rings on an answering machine in a small Beverly Glen Hospital room and Ray G. returns all calls. The room and phone machine are provided by Beverly Glen Hospital.

Ray G. manages the hotline for the first year. “If any of you called in the first year of existence of Cocaine Anonymous and talked to the man on the telephone, that was Ray because he took all the calls for the first year of Cocaine Anonymous.”

Pictured Right: Early Ray G. Meeting List *Note the Tuesday Meeting is the A.A. Whatever Meeting
In the beginning, Cocaine Anonymous was “Cocaine Anonymous of Los Angeles.” Due to the number of C.A. fellowships emerging across the country in the first two years, it was decided that a guiding organization for the country was needed.

In 1984 “Cocaine Anonymous World Services” was created. They retained a lawyer to expedite forming a non-profit corporation. The elected 3 trustees (Ray Grossa, Gil Mosko, and Jonathan Segal) and created an office board of a number of people.
C.A. Chips - 1983

Business meetings occurred every Tuesday night at the home of Johnny S. (May/June 1983) to work on public information, phone lines, formats, steps, traditions, chips, and logo. Meetings go on for hours.

C.A. Chips were created with the hope that they would be a unifying factor in the young fellowship.

Unfortunately, the hard, white square chip with letters and numbers would easily wear off and relapsing addicts would use them to chop cocaine.
Johnny S. was asked to come up with three words to epitomize the spirit of Cocaine Anonymous. Originally it was “Hope, Faith and Willingness.” But “Willingness” was too long. At the time, Johnny was listening to a speech by John F. Kennedy about having courage to do difficult things in your life. Johnny decided that the word “Courage” was appropriate because it fit nicely in the circle, and he felt “it took courage to walk into the doors of C.A.”
First Generation – Sobriety Chips
Early Northern California

Since Northern California had the first metal chip, the chip company would not make chips for C.A. World Service. In 1987 Northern California deeded to C.A. World Services the right to make metal chips with the C.A. logo that was voted on in 1986 first World Service Conference.
First Generation – Sobriety Chips
Atlanta, Georgia

It was Doc Crandall who brought C.A. from California to Atlanta, Georgia. August 1, 1983 – First Atlanta Area meeting of Cocaine Anonymous. Atlanta, Georgia made their own sobriety chips from 1985 to 1986. When Georgia was ratified as an Area at the 1st World Conference Feb. 8,9, 1986, it was agreed that they would buy their sobriety chips from World Services in L.A.
Early C.A. Media Hype

April 11, 1983, Time Magazine Cover features a story on fighting cocaine’s grip on millions of users. The article references Cocaine Anonymous... “In Los Angeles, new Cocaine Anonymous groups draw 700 people to weekly meetings.”
Media awareness and public information was vital to the early growth of C.A.

May 8, 1983, Los Angeles Herald Examiner publishes a large article on cocaine abuse in the canyons of Beverly Hills and the streets of South Central L.A. The article highlights the good works of Cocaine Anonymous.

Chicago C.A. Inception – 1st Meeting
Thursday, May 5, 1983

Tony S., and Greg D., original C.A. Members of Chicago, gets the first meeting going at the Martha Washington Hospital.

There was a recovery center in the hospital and Tony was given a room for an answering machine and phone number for the beginnings of Chicago C.A.

A second meeting soon afterwards started on Tuesday night.
First Generation – Chicago 1983-1986
Prototype Octagonal Chips

The Octagonal Shape of Chicago’s Sobriety Chip was chosen because it replicates a “traffic stop sign” signifying the amount of time a C.A. Member had “stopped” using cocaine. The early “C.A.” logo (pictured right) was designed by Randy R. of Chicago.
Early Chicago C.A. Facts

Tony S. (Chicago C.A.), was responsible for writing the 1st draft of, “To The Newcomer” (1st C.A. Pamphlet) and “Who is a Cocaine Addict?”

The fellowship in Los Angeles loved the piece, “To The Newcomer,” and it was immediately incorporated it into C.A. Meetings and Starter Kits.

This piece of literature is still with us today. And it has never been changed.
Co-Anon is started by Johnny S.’s wife at the time. It is initially named Coc-Anon.

Johnny S. reports his wife would get upset with him about having the meetings at their home all the time and Johnny S. suggests that C.A. needs a group like Al-Anon and that she should start it.

Sometime during the second year of C.A., she did.

Suggested Structure for Cocaine Anonymous

Temporary Working Guide to the Service Structure

Ratified at the 2nd World Service Conference in San Diego, CA, July 1986
Other C.A. WSC Firsts

**March 1987 3rd World Conference:** There was a Voting Imbalance: Office Board (10 votes), WSBT (7 Votes) and delegates. It was decided that the Office Board only have 3 votes. The original board walks out of the Conference. Only 1 member stayed, Lionel, who became the Conference Chair. After the Conference, WSBT appoints a new Office Board to replace those who walked out.

**November 1987 4th World Conference:** Bylaws and Charter were approved and 70/30 Plan was created and passed.

Not reflected in the first three World Conference Minutes (1986-1987), the First Step of C.A. was changed to say, “Cocaine and all other Mind Altering Substances. (*Note: At the 1st World Conference (Feb. 1986) it was ratified: “WSO approved literature – whenever Cocaine is mentioned it should read “Cocaine and all other mind altering chemicals.”)

**August 1988 5th World Conference:** Descriptions of Areas, Districts and Regions were created, along with who can use the C.A. name.

**August 1989 6th World Service Conference:** The A.A. Big Book and A.A. 12 Steps and 12 Traditions were accepted as our tools of recovery. Passing this motion allowed the Big Book and the 12X12 to appear on the tables of C.A.
A FUNNY THING HAPPENED ON THE WAY TO AA

One of the original nineteen members recounts the beginning of Cocaine Anonymous, what happened, and what it’s like today.

I have been a member of Cocaine Anonymous for four years and I can tell you that when you are high in G.A. you can’t see what it’s like to be a drunk. It’s all there and you can’t see it. You can’t see it and you can’t see it. You can’t see it.

On the other hand, there was a time when I thought that Cocaine Anonymous would go on forever. They just thought that Cocaine Anonymous would never end. There is a strong belief that these meetings will continue.

The person who first called me to Cocaine Anonymous was a woman who had been sober for three years. She told me about Cocaine Anonymous and I went to my first meeting. It was a Thursday night at 7:00 p.m. I arrived at the meeting and the room was filled with people. There were about 40 people there. I sat in the corner of the room and listened to the person who had been sober for three years. She told me about Cocaine Anonymous and I thought, “This is what I need.”

I attended my second meeting the following week and I was hooked. I continued to attend meetings and I have been sober for four years. I am now a member of Cocaine Anonymous and I am happy with my new life.

COCAINEN Anonymous, MAY I HELP YOU?

Working the phony-living there is a sharing of experience, strength and hope with the addict who is meeting for the first time. The meetings are open to all who are interested in trying to help others.

At one time the Whirher Meeting was held in both the AA meeting room and the AA meeting room at the same time.

Most of the members of the group had heard of an AA from Cocaine Anonymous, but had little contact with it. The group of people who attended the meetings was small and there was little interaction between them. However, the group was growing and more people were attending the meetings. The meetings were held in a room at the AA meeting room, and there was no one else in the meeting room.

At one time the Whirher Meeting was held in both the AA meeting room and the AA meeting room at the same time.

• Ann Landers replied by printing the address and phone number of the WSO.

• Response was phenomenal: over a 3-day period, Helene H. WSO Chairperson reports receiving over 600 letters of inquiry!
July/August 1989 – Trustee Jack P. spearheads “Enforce It or Lose” campaign whereby C.A. battles to protect copyright privileges. In 1989, a Dr. Baron advertised a C.A. recovery program in Houston, Texas by the name of “C.A. Aftercare.” C.A. had to defend itself by sending communication to Dr. Baron that this was not an organization that had anything to do with C.A. It came to the point where this issue may have had to go to court. But after much communication between our lawyer and Dr. Baron he finally changed the name of his program.

Sometime in 1989, Alan S., LCF Chair, brought an idea to the Conference that we should have our own book comprised of stories from our members. Stories from around the C.A. fellowship were collected, selected, edited and approved. The book, HFC came out in 1993. It was a HUGE event for C.A. garnering a “pre-sale” of hundreds of cases of books.

The first online email meeting “Hope, Faith and Courage” was opened in 1997.
Les Cocaïnomanes anonymes sont une association d'hommes et de femmes qui partagent entre eux leur expérience, leur force et leur espoir dans le but de résoudre leur problème commun et d'en aider d'autres à se rétablir de la cocaïnomanie. La seule condition pour en devenir membre se résume à un désir de cesser l'usage de la cocaïne et de toute autre substance qui altère le comportement. Il n'en coûte rien pour devenir membre. Nous suffisons à nos besoins par nos propres contributions. Les Cocaïnomanes anonymes ne sont associés à aucune secte, religion, groupe, association politique, organisation ou institution. Nous ne nous engageons dans aucune controverse, nous n'endossons ni ne contestons aucune cause. Notre objectif premier est de se libérer de l'usage de la cocaïne et de toute autre substance qui altère le comportement, et d'en aider d'autres à acquérir cette même liberté.

Nous nous servons des Douze Étapes pour le rétablissement, car il a été prouvé qu'avec le programme des Douze Étapes, ça marche."

**Pourquoi C.A.?**

Les C.A. sont uniquement intéressés au rétablissement personnel et à la sobriété continue des individus toxicomanes qui s'adressent à l'association pour de l'aide. Nous ne nous engageons pas dans les domaines de la recherche en toxicomanie, du traitement médical ou psychiatrique, de l'éducation aux drogues, ou dans toute forme de propagande - même si certains de nos membres peuvent participer à des telles entreprises à titre personnel.

In August of 1998, the second email subscriber meeting, "KISCA," was started.

1999 Two more email meetings were formed, “Sisters in Sobriety” and “The Study,”

The online groups joined together to create an Online Service Committee using the internet domain of “ca-online.org.”

2000 The C.A. World Conference ratifies ca-online.org as a Cocaine Anonymous Online Service Area.

2001 “There is a Solution” meeting began

2002 “Steps On Line” meeting started

2010 Voice meetings were introduced

Today There are several VoIP meetings with hundreds of members participating from countries throughout the Americas, Europe, Asia, and Africa.
