## A Definition of “Cocaine Anonymous”

Cocaine Anonymous is a fellowship of recovering addicts throughout the World. The following definition of “Cocaine Anonymous” is found in our Fellowship’s literature and is often read at meetings of C.A.:

*“Cocaine Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem, and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for membership; we are fully self-supporting through our own contributions. We are not allied with any sect, denomination, politics, organization or institution. We do not wish to engage in any controversy and we neither endorse nor oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom.\**

*We use the Twelve Steps of Recovery, because it has already been proven that the Twelve Step recovery program works.”*

## The Twelve Steps of Cocaine Anonymous

1. We admitted we were powerless over cocaine and all other mind-altering substances — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

## The Twelve Traditions of Cocaine Anonymous

1. Our common welfare should come first; personal recovery depends upon C.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for C.A. membership is a desire to stop using cocaine and all other mind-altering substances.
4. Each group should be autonomous, except in matters affecting other groups or C.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the addict who still suffers.
6. A C.A. group ought never endorse, finance or lend the C.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every C.A. group ought to be fully self-supporting, declining outside contributions.
8. Cocaine Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. C.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Cocaine Anonymous has no opinion on outside issues; hence the C.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of all public media.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

## The Twelve Concepts of Cocaine Anonymous

1. The final responsibility and the ultimate authority for C.A. World Services should always reside in the collective conscience of our whole Fellowship.
2. The C.A. Groups delegate to the World Service Conference the complete authority for the active maintenance of our world services and thereby make the Conference — excepting for any change in the Twelve Traditions — the actual voice and the effective conscience for our whole Fellowship.
3. As a traditional means of creating and maintaining a clearly defined working relation between the Groups, the Conference, the World Service Board of Trustees and its service corporation, staffs, and committees, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of World Service with a traditional “Right of Decision.”
4. Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our World Service structure, a traditional “Right of Appeal” ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.
6. On behalf of C.A. as a whole, our World Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the World Service Board of Cocaine Anonymous.
7. The Conference recognizes that the Charter and the Bylaws of the World Service Board are legal instruments; that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Cocaine Anonymous. It is further understood that the Conference Charter itself is not a legal document; that it relies instead upon the force of tradition and the power of the C.A. purse for its final effectiveness.

*declining outside contributions. 8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers. 9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve. 10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy. 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films. 12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.*

8. The Trustees of the World Service Board act in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of custodial oversight which they exercise through their ability to elect all Directors of these entities.
9. Good service leaders, together with sound and appropriate methods of choosing them are at all levels indispensable for our future functioning and safety.
10. Every service responsibility should be matched by an equal service authority — the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description or by appropriate charters and bylaws.
11. While the Trustees hold final responsibility for C.A.'s world service administration, they should always have the assistance of the best possible standing committees and service boards, staffs and consultants. Therefore, the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the system of their rotation, the way in which they are related to each other, the special rights and duties of our staffs and consultants, together with a proper basis for the financial compensation of these special workers will always be matters for serious care and concern.
12. General Warranties of the Conference: In all its proceedings, the World Service Conference shall observe the spirit of the C.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Cocaine Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Cocaine Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

*\*The Twelve Concepts are reprinted and adapted with permission of Alcoholics Anonymous World Services, Inc. Permission to reprint and adapt the Twelve Concepts does not mean that A.A. is affiliated with this program. A.A. is a program of recovery from alcoholism. *3 THE TWELVE CONCEPTS OF ALCOHOLICS ANONYMOUS: 1. Final responsibility and ultimate authority for A.A. world services shall always reside in the collective conscience of our whole Fellowship. 2. The General Service Conference of A.A. has become, for nearly every practical purpose, the actual voice and the effective conscience for our whole Society in its world affairs. 3. To insure effective leadership, we should endow each element of A.A. - the Conference, the General Service Board and its service corporation, staffs, committees, and executives with traditional "Right of Decision." 4. At all responsible*

## The Importance of “Anonymity”

Traditionally, C.A. members have always taken care to preserve their anonymity at the public level: press, radio, television and films. We know from experience that many people with drug problems might hesitate to turn to C.A. for help if they thought their problems might be discussed publicly, even inadvertently, by others. Newcomers should be able to seek help with complete assurance that their identities will not be disclosed to anyone outside the Fellowship.

We believe that the concept of personal anonymity has a spiritual significance for us: it discourages the drives for personal recognition, power, prestige, or profit that have caused difficulties in some societies. Much of our relative effectiveness in working with addicts might be impaired if we sought or accepted public recognition.

While each member of C.A. is free to make their own interpretation of C.A. Tradition, no individual is ever recognized as a spokesperson for the Fellowship locally, nationally or internationally. Each member speaks only for themselves.

Cocaine Anonymous is grateful to all media for their assistance in strengthening and observing the Tradition of anonymity. Periodically, the C.A. World Service Office sends to all major media a letter describing the Traditions and asking their support in observing it.

A C.A. member may, for various reasons, “break anonymity” deliberately at the public level. Since that is a matter of individual choice and conscience, the Fellowship as a whole has no control over such deviations from Tradition. It is clear, however, that they do not have the approval of the group conscience of C.A. members.

Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustee. 10. Every service responsibility should be matched by an equal service authority, with the scope of such authority always well defined. 11. The Trustees should always have the best possible committees, corporate service directors, executives, staffs and consultants. Composition, qualifications induction procedures, and rights and duties will always be matters of serious concern. 12. The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth and power; that the sufficient operating funds and reserves be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.*

## The Structure of Cocaine Anonymous

Cocaine Anonymous is not organized in the formal or political sense. There are no governing officers, no rules or regulations, no dues or fees.

However, the need for services to addicts throughout the world is very important to the Fellowship. Inquiries from both within and outside the Fellowship have to be answered. Literature has to be written, printed and distributed, and requests for help be followed up.

The main service body of the Fellowship is C.A. World Services, which is centered at the World Service Office at

*11460 N. Cave Creek Road,  
Suite 12 Phoenix, Arizona  
85020*

where employees and service volunteers maintain communications with local Groups and with persons outside the Fellowship who turn to C.A. for information on the program of recovery. C.A. Conference-approved literature and chips are prepared, published and distributed through this office.

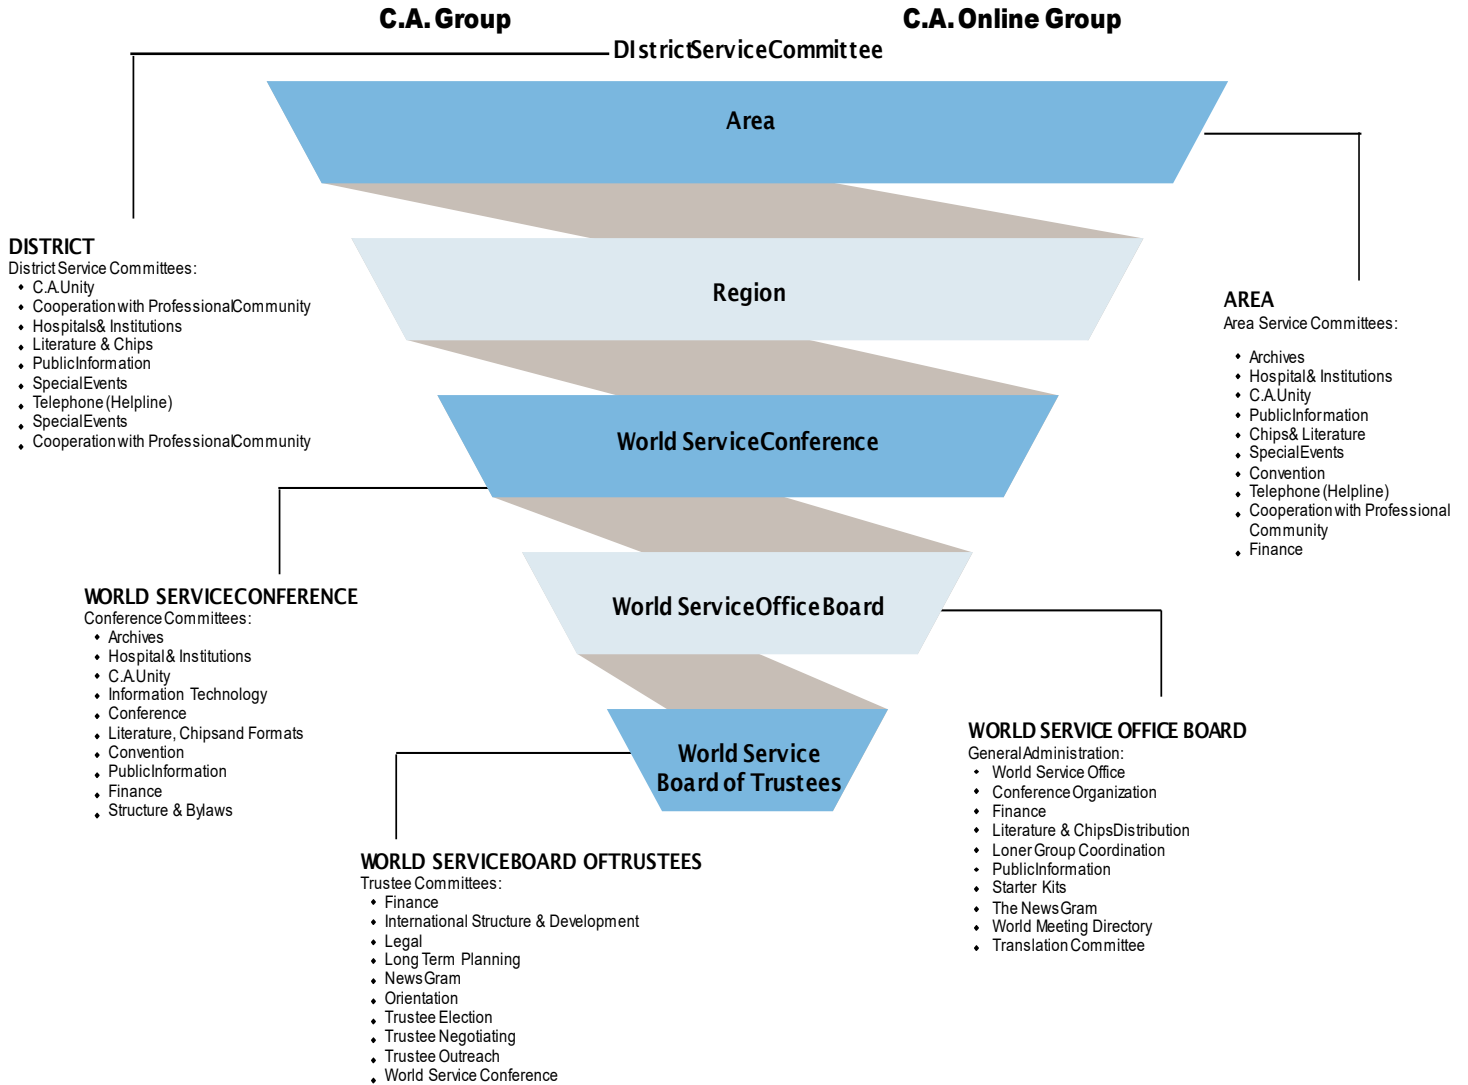

### **The World Service Office is responsible to the World Service Board of Trustees.**

The C.A. World Service Conference, consisting of Delegates from C.A. Areas throughout the Fellowship, Trustees of C.A. World Services, and World Service Office Directors and staff members, meet annually, and provide a link between the Groups within the Fellowship and the Trustees who serve as custodians of C.A. Traditions and interpreters of policies affecting the Fellowship as a whole.

The principal of consistent rotation of responsibility is followed by all C.A. service positions. The spirit of rotation is a vital principle within our service structure which allows for non-successive terms on all service positions. This enables more members to experience the true nature of service. Positions in the Service Structure are rotated according to a vote of the Service Structure. Representatives to the local service organization are voted on at the Service Structure level according to a schedule defined by each Service Structure. Officers of the service organization are elected based on the group conscience of that organization.

Formal organization is kept to a minimum at the local Group level. The Group may have a limited number of "officers" whose responsibilities include, but are not limited to, arranging meetings, providing refreshments, handling the Group's budget, and maintaining contact with the local service organization.

    - b. Do we have a data retention policy?
  6. If someone asks us to provide, delete or transfer their information, can we?
    - a. Can we easily and quickly search and find people’s information if they ask for it?

No other individual or entity may use the name “Cocaine Anonymous”, the block letters “CA,” the official Cocaine Anonymous logo\* (hereinafter “logo”), future variations of the logo, the book title “Hope, Faith & Courage: Stories From The Fellowship of Cocaine Anonymous,” “Hope, Faith & Courage Volume II: Stories and Literature from the Fellowship of Cocaine Anonymous” and/or the motto “We’re Here And We’re Free” without the written permission of the Cocaine Anonymous World Service Board of Trustees.

Cocaine Anonymous groups, meetings and service committees should only use, display, distribute or sell the following literature and materials: the WSC Approved Literature set forth in the Appendix, the books “Alcoholics Anonymous,” “Twelve Steps and Twelve Traditions,” and “The A.A. Service Manual, combined with the Twelve Concepts For World Service,” and Cocaine Anonymous World Service, Region, Area, District and group/meeting approved flyers, meeting directories and other materials displaying the C.A. logo as described above.

Either of the Cocaine Anonymous logos must be used in their entirety as shown below. The first official logo includes the inner circle of the logo that contains the artistic “CA”, the outer circle which contains the text “HOPE FAITH COURAGE” or any C.A. WSC approved translation thereof and the registered trademark symbol outside the outer circle. The other official logo includes the inner circle of the logo that contains the artistic text “CA”, the outer circle which contains the text “HOPE FAITH COURAGE” or any C.A. WSC approved translation thereof and the registered trademark symbol. No other text or design element may touch, overlap or show through behind the logo other than a solid color. The block letters “CA” may only be used alone when they bear no resemblance to the inner circle type style of the official logo.

## Cocaine Anonymous and Co-Anon

The relationship between the fellowships of Cocaine Anonymous and Co-Anon is a special one. As the disease of addiction affects many, our recovery process inherently affects many as well. Yet the Twelve Traditions, the General Service Boards and Service Conferences of both fellowships suggest that remaining “separate” makes each more effective. The policy of “co-operation but not affiliation” is recognized as important in maintaining separate fellowships. Consistent with that premise, Cocaine Anonymous provides the following position regarding the relationship with Co-Anon:

*“While being mindful of the impact of our disease on those who care about us and the support we receive from them, we in Cocaine Anonymous are guided by our Sixth Tradition. As such, we must ensure that our desire to cooperate with Co-Anon in thought, action and spirit does not result in affiliation, either outright or implied.”*

## The C.A. Group

### Definition

Two or more C.A. members meeting regularly to share their experience, strength and hope with each other, may call themselves a Cocaine Anonymous Group when:

1. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances.
2. It is fully self-supporting.
3. Its primary purpose is to help addicts recover through the Twelve Steps of C.A.
4. It has no outside affiliations.
5. It has no opinion on outside issues.
6. Its public relations policy is based on attraction rather than promotion.

### Description

The basic unit in C.A. is the local Group, which is autonomous except in matters affecting other Groups or C.A. as a whole. The Group has but one primary purpose, which is to help others to recover through the suggested Twelve Steps. Each Group is self-supporting through its own contributions. As the Twelve Steps are our guide to recovery, the Twelve Traditions are our guide to Group unity, growth and discipline. Its members maintain their personal anonymity at the level of press, radio, television and films.

**A Group or Online Group, ought to be aligned with only one (1) District or Area. Loner Groups ought to be registered with WSO. This avoids inaccurate DSR/Delegate counts and permitted Area votes at Conference.**

The importance of the Group, what it constitutes and its functions cannot be stressed enough. Maintenance of our recovery depends on the sharing of our experience, strength and hope with each other, thus helping us to identify and understand the nature of our disease. A group typically meets at a regular time each week. Those that meet multiple times in a week are known as multi-meeting groups.

A multi meeting group is defined as a group that meets on multiple occasions during a day and/or week.

A multi meeting group has one GSR who carries the voice of the group (representing all the meetings) at the District, and/or Area level.

\*\*For any other guidance we suggest referring to Tradition 4 on page 11 of the World Service Manual.

Most addicts in C.A. achieve and sustain their recovery as a result of their participation in the activities of the Group. The Group is the heart of Cocaine Anonymous and it is vital to the new member. It is equally important to those who have achieved recovery as a result of the program. They may continue to participate and receive assistance from the Group. The Group's total responsibility is perhaps best expressed by the First Tradition:

*“Our common welfare should come first; personal recovery depends upon C.A. unity.”*

## The C.A. Home Group

A Home Group may be defined as a meeting a member regularly attends. The Home Group provides an opportunity to begin to be of service. Experience shows a Home Group is one of the vital components to continuous sobriety. In a Home Group members can participate in the business meeting and are able to cast their vote as a part of the group conscience.

Many groups hold a business meeting monthly or at other intervals to discuss such items as: group finances, distribution of 7th Tradition, meeting format, election of trusted servants, etc. It is suggested that records be kept of group business meeting decisions.

Each group is autonomous, and the group conscience decides how business meetings may be conducted.

## The C.A. Meeting

The C.A. meeting is the most important activity of the group. It is the place and time where a group fulfills its primary purpose.

Most meetings follow a more or less set format, although distinctive variations have developed. It is our experience that many meetings begin or end with some form of prayer. While each C.A. group is autonomous, and adopts its own format, C.A. as such never endorses, opposes or affiliates, expressed or implied, with any sect, denomination, politics, organization or institution. A leader describes the C.A. program briefly for the benefit of the newcomers, and then turns the meeting over to a speaker or to participation.

Sometime during the meeting, there is usually a period for C.A. related announcements of interest to the meeting. A collection is taken to cover rent, literature and chips, refreshments and contributions to the District, Area and World Service Office as per the 7th Tradition.

Those attending meetings are reminded that any opinions or interpretations they may hear are solely those of the speaker or participant involved. All members are free to interpret the recovery program in their own terms, but none can speak for the local Group or C.A. as a whole. Any group that wishes to become a C.A. group may reach out to their local District/Area to be added to their area directory or register the group with C.A. World Services.

## Meeting Types

Open	Attended by C.A. members, their families, friends and other interested people.
Closed	Attendance is limited to C.A. members and those with a desire to stop using cocaine and all other mind-altering substances.

## Meeting Styles

Step Study	Participants study and discuss the Twelve Steps with the Group.
Book Study	Participants study and discuss with the Group any of these books:

	<ul style="list-style-type: none"><li>○ A Quiet Peace; Hope, Faith &amp; Courage Stories from the Fellowship of Cocaine Anonymous (the “C.A. Storybook”)</li><li>○ Hope, Faith &amp; Courage Volume II Stories and Literature from the Fellowship of Cocaine Anonymous</li><li>○ Alcoholics Anonymous (the “Big Book”)</li><li>○ Twelve Steps and Twelve Traditions (the “12 and 12”)</li><li>○ The A.A. Service Manual, combined with the Twelve Concepts for World Service.</li><li>○ Twelve-Step Companion Guide</li></ul>
Participation	Participants discuss their experience, strength and hope in the meeting, one member at a time.
Speaker	One or more C.A. members share their personal experience, strength and hope in the meeting at length.
H&I Meetings	H&I meetings are often restricted to patients or residents only, and not open to the community as a whole. These meetings are brought into facilities by local C.A. members through the H & I committee. H&I meetings are basically beginner’s meetings; with the chairperson of each meeting providing the speakers. They are not usually listed in the area or world directory; and they do not observe the 7th Tradition. Certain facilities may require H&I participants to be subject to sobriety requirements, dress and conduct codes.
Online Meetings	<b>Any meeting where two or more members meet virtually, including but not limited to video platforms and voice chat.</b>
Voice Meetings	These are voice only, voice over internet protocol meetings and are similar in format to face to face meetings.

### Group Service Positions

*“For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.”*

*- Our Second Tradition -*

C.A. groups may create such service positions, as they deem necessary to carry on the group functions with such job duties and sobriety requirements, as they feel appropriate. Such positions by way of illustration might include: Chairperson, Vice Chairperson, Literature, Coffeemaker/Hospitality, Greeter, etc. The suggested business positions of groups are:

*Group Service Representative (GSR)*

Suggested sobriety time: One year

Term: One year

The GSR position is a very important service position for which a member can be elected. Great care should be taken with this choice; the quality of the District/Area Services and ultimately World Services can only be as good as those choices the individual Groups make. As with the Secretaries, GSR candidates should only accept positions for those Groups that they regularly attend. Regular attendance is to be defined by the groups. They are the ones who will carry the information back to the Group as to what is going on in our Fellowship on a District/ Area level as well as the World level.

It should be understood that a GSR does not require Group approval to vote on matters affecting the Group or C.A. as a whole, although it is the GSR responsibility to vote mindful of the group conscience. (See Concept 3). A good GSR is familiar with the C.A. World Service Manual and the Twelve Concepts of World Services. If the GSR cannot attend, an Alternate should attend. The person elected GSR should be trusted with the Group vote. Before accepting a nomination for GSR, the nominee must consider the level of commitment as well as the sacrifice of time involved.

Duties and Responsibilities:

1. Sees that the Traditions are followed within the Group.
2. Attends all appropriate business meetings.
3. Conducts communication between the Group, District and Area.
4. Reads/reviews communications from the District, Area and World Service.

#### *Alternate GSR*

The purpose and responsibility of the Alternate GSR is to assist the GSR and to assume the responsibilities of the GSR when necessary.

Suggested requirements and qualifications are the same as those for GSR.

#### *Secretary*

Suggested sobriety time: Six Months

Term: One year

The Secretary is a trusted servant whose responsibility is to provide the Group with the leadership best suited to assist the recovery of the members through utilization of the C.A. Program.

Duties and Responsibilities:

1. See that the Traditions are being followed within the Group.
2. Follow the format in accordance with the group conscience.
3. See that the responsibilities of the other Group servants are met.
4. See that Seventh Tradition contributions of the members are collected and that a record is kept of the Group's income and expenses.
5. See that the Group is represented at the District or Area Service Meeting.
6. See that rent for the meeting space is paid and that the Group's monthly contribution is forwarded to the District, Area and/or World Service Office.
7. Keep an accurate, up-to-date record of changes of the group conscience.
8. Keep a record of each officer's election date.
9. Display C.A. literature and schedules.

### *Group Treasurer*

Suggested sobriety time: One Year

Suggested prior service time: Six Months

Term: One Year

Gainfully employed and/or financially solvent.

Duties and Responsibilities:

1. Keeps an accurate bookkeeping system. (See the “Group Treasurer’s Record” form located in the Financial Guidelines for Groups, Districts & Areas of Cocaine Anonymous. Pages 6-8)
2. When applicable, maintains Group bank account(s) with checks requiring two signatures.
3. Gives financial reports to the Group regularly.
4. Pays all Group expenses.
5. Passes on contributions to the District/Area and/or the World Service Office.
6. Collects and documents 7th Tradition money.
7. Collects and documents the H&I money (if H&I cans are passed at that meeting), and passes the H&I money onto the District or Area Treasurer, distinguished as H&I money.

### *Group PI Liaison*

Suggested sobriety time: 6 months

Term: One Year

The purpose of the Group PI Liaison is to attend their local PI committee meeting, collect C.A. literature / posters and distribute these locally.

The Group PI Liaison is the one who will carry the information between their group and their local PI committee.

Duties and Responsibilities:

1. Familiarize yourself with PI guidelines and C.A.’s 12 traditions.
2. Act as a liaison between your group and your local PI committee.
3. Actively support your group by placing literature / posters in your meeting venue / local area on regular basis.
4. Keep group members informed of upcoming PI activities and opportunities for service.

## The C.A. District

### Description

The primary level of organization of Cocaine Anonymous consists of the individual groups.

**A Group or Online Group, ought to be aligned with only one (1) District, avoiding inaccurate DSR counts for that particular District.** A District is a geographical unit within an Area containing a number of groups within a close proximity, which find it necessary to unify. For an online District, 'geography' and 'close proximity' are not necessarily relevant. A District has the primary function of the unification of its groups by keeping in frequent contact with them, learning their problems and sharing ways to contribute to their growth and well-being.

It is suggested that ten (10) or more groups comprise a District and that each ten (10) groups or part thereof elect a District Service Representative to sit on the Area Service Committee. When districting or re-districting, approval of the groups within each current or proposed District is essential. The proposed districting or re-districting should be approved by the Area Service Committee. As the number of groups within a District increases, the District should either split into two Districts or elect more District Service Representatives from such groups to the Area Service Committee.

### District Service Committee

A District Service Committee (DSC) is a service committee made up of the Group Service Representatives from the individual C.A. groups in the District, the District Service Representatives and the DSC officers. The DSC meets on a monthly basis to handle the business needs of the District. The DSC may create committees to service such needs as Telephone (Helpline), Public Information, CPC (Cooperation with the Professional Community), Hospitals and Institutions, Literature and Chips, and Special Events.

The most important function is to serve the needs of the local groups. If a group has a situation it cannot handle, it can come to the District Service Committee. The active participation of each GSR is essential for a successful DSC.

Whatever endeavor or extracurricular activity is taken on by the District, they should at all times try to use or take advantage of Area resources, in order not to duplicate efforts or expenses already incurred by the Area.

#### *Possible Voting Members:*

Officers of the DSC, Group Service Representatives, Alternate Group Service Representatives (optional); and other trusted servants.

#### *Voting Procedures:*

Determined by District:

Voting examples can be found in the WSM WSC Parliamentary Procedure Guidelines.

## District Service Positions

The District should elect officers yearly, which include:

1. Chairperson
2. Vice Chairperson
3. Secretary
4. Treasurer
5. District Service Representatives — one for every ten (10) groups in the District, or part thereof, elected by the DSC
6. Alternate DSR (optional)
7. Chairpersons of District Service Standing Committees (optional) — elected by the respective standing committees and approved by the DSC

There should be one Group Service Representative (GSR) elected from each group. The DSC officers should be elected from among the active GSR. Upon election, the DSC officers shall no longer serve as GSR. Those groups, which they represented, must elect new GSR.

The District Service Representative (DSR) is the essential link between the groups' GSR and the Area's Delegates to the World Service Conference. As a member of the District Service Committee, the DSR is exposed to the group conscience of that District. As a member of the Area Service Committee, the DSR passes on the Group's tenets to the Area's Delegates and the Area Service Committee.

*Alternate District Service Representative*

Some Districts find it appropriate to elect an Alternate DSR. The Alternate should possess the same qualifications as the DSR.

## The C.A. Area

### Description

An Area is usually a geographic unit with defined boundaries. The Conference may also recognize Areas whose boundaries do not fit a geographic description. The primary function of an Area is to serve the common needs of its District(s) and Group(s) and to facilitate unification of the Fellowship. A World Service Delegate comes from an Area.

As new Areas are created or if an established area changes its boundary definition, a “Petition to Become an Area” form must be submitted, and the creation or change must be recognized by the WSC. An area that desires to change its name only (without altering its existing boundaries), must first submit a “Petition to Change Area Name” form. The change must be recognized by the WSC. Any District seeking to change Areas must complete a “Petition for a District to Change Areas” form, and the change must be recognized by the WSC. It is suggested that a copy of the Area/District minutes, showing separation has been addressed, be attached to any petition, when possible. For information on petition forms please contact a trustee or the WSO. These petitions may also be obtained online at [ca.org](http://ca.org).

The Area serves the Fellowship by distributing chips and literature, carrying out local translations in accordance with the World Service office translation policy and process, handling financial contributions of the Fellowship for that Area, and communicating with the C.A. World Service Office. The primary function of the Area is to serve the common needs of its District Members and to facilitate unification. The Area Service Committee should establish a permanent mailing address and bank account. If need arises, the Area should establish an Area Central Office. The Area should also stay in contact with the C.A. World Service Office for purposes of registering/updating its meeting information in the World Directory and communicating information regarding Area functions such as Service Conferences, Conventions, and other special events to promote and ensure unity within the C.A. Fellowship as a whole.

**Groups and/or Online Groups, ought to be aligned with only one (1) Area, avoiding inaccurate Delegate counts, and permitted Area votes at Conference.”**

## **Board of Directors, Area Advisory Committees, Advisory Boards, and/or Steering Committees**

A Cocaine Anonymous corporation of any Area must have for legal reasons a certain number of Directors. These vary from state-to-state or province-to-province. These Directors shall at all times be accountable to their Area Service Committee. These Directors should never be excused from the responsibility to render proper reports of ALL significant actions taken. The Directors are directly responsible to their Area and should consult their Area Service Committee before an important decision or action is taken.

Our C.A. program rests squarely upon the principle of mutual trust. For purposes of advice and guidance, Area Service may create Advisory Boards or Steering Committees directly responsible to those they serve, principally the Area Service Committee.

NOTE: The only “Board of Trustees” recognized and existing within Cocaine Anonymous is the World Service Board of Trustees (WSBT), which is directly responsible to the World Service Conference. The title “Board of Trustees” should not be used at the Area service level.

### **Area and District Committees**

It is suggested that the following Committees exist at both the District and Area levels. When appropriate, Committees may be combined or added.

- Hospitals and Institutions Responsible for the coordination of and active participation in Twelve Step work within hospitals and institutions.

- Chips and Literature Responsible for the distribution of literature and chips to C.A. Districts, Groups, members and interested institutions.
- Finance Responsible for all matters relating to records, finances and expenditures. The committee makes recommendations on all matters pertaining to the administration and operation of finances and expenditures. The Finance Committee shall implement and oversee controls necessary to safeguard the assets of the Fellowship, including employment of a CPA (Certified Public Accountant) to make periodic audits.

Convention Responsible for the coordination of conventions to carry the message of recovery, unity and service to members of Cocaine Anonymous.

Cooperation with the Professional Community (CPC)

Responsible for a unique brand of 12-Step work by carrying the message of recovery to professionals, who in their line of work, may have some sort of supervisory capacity over or direct contact with individuals who may have a problem with cocaine and all other mind altering substances. The committee informs the professional community about C.A.: what we are, where we are and what we can and cannot do to help the addict who still suffers. The committee attempts to establish communication between C.A. members and the professional community to find productive methods of cooperation, not affiliation, within the C.A. traditions.

C.A. Unity Committee Responsible for the communication and outreach among the diverse elements within the Fellowship at all levels, in the interest of carrying the C.A. message. It is also suggested that these committees sponsor annual workshops and other forums to promote C.A. unity.

Information Technology Committee

“The purpose of the committee is to serve as a resource for the C.A. service structure in areas of emerging technologies. In addition, we facilitate and assist Areas and Districts in approving their local websites, so that they may have a link directly from the C.A. web properties. The IT Committee, on an ongoing basis, works on adapting available technologies to better carry the message of C.A., while always keeping in mind the Twelve Traditions and Twelve Concepts of C.A., C.A. policies, privacy, and security.”

Translations

Responsible for local translation of materials. For C.A. copyright items in accordance with the World Service office translation policy and process.

#### C.A.'s First Tradition:

*“Our common welfare should come first; personal recovery depends upon C.A. unity.”*

## World Service Conference Delegate

*The Delegate's Job is a Spiritual One!*

1. Conference Delegates are required to have a working knowledge of the World Service Manual, in particular the Twelve Steps, the Twelve Traditions, The Twelve Concepts, the Standing Rules for the C.A. WSC, and the Conference Charter.
2. Prior to the Conference, the Delegate transmits SR-14 material to their Area through Area and District Meetings as well as to individual groups. It is important that the information about the WSO and WSC be passed on with enthusiasm, encouraging the continued health and growth of C.A.
3. Attend the World Service Conference (WSC) prepared, in order to be able to vote knowledgeably. Conference Delegates should be present during all voting times until the end of Conference. Every Conference Delegate, after their election, will notify the World Service Office (WSO) in order to be placed on the mailing list, **gain access to relevant document storage folders**, and to receive all Conference materials, which require several hours of study.
4. After the Conference, the Delegate transmits the information back to their Area through Area and District Meetings as well as to individual Groups. It is important that the information about the WSO and WSC be passed on with enthusiasm, encouraging the continued health and growth of C.A.
5. Delegates shall encourage their Areas to generate funds to help support World Services.
6. Delegates must be prepared to attend District, Area and Regional service meetings. They must understand the issues in their Areas to be better able to present them to the Conference.
7. Delegates cooperate with WSO by providing local meeting schedules and local C.A. information numbers.
8. Delegates provide C.A. leadership by helping to solve local problems involving the C.A. Traditions. In the spirit of this leadership need, it is suggested that, if possible, Delegates and Alternate Delegates not hold any other service commitments at the District or Area level. Further, in the spirit of rotation, wherever possible, Delegates should only serve one term and not consecutive terms.
9. Delegates visit Groups in their Districts/Areas and are sensitive to their needs and reactions. They should learn how the Groups have reacted to Conference reports. Delegates know communication is a two-way street, with information moving in both directions.
10. Delegates serve on a World Service Conference Committee and work closely with Committee members throughout the year. It is the Delegate's responsibility to work closely with other members of their WSC committee to ensure that it is in action throughout the year.

11. Delegates keep Alternate Delegates fully informed **including access to documents and processes on WSC participation requirements**, so that the Alternate can replace the Delegate in an emergency.
12. Delegates shall help all newly elected WSC Delegates **and Alternate Delegates** from their Areas by passing on knowledge of WSC procedures **including, but not exclusively, Credentialing, WSC Registration, access to document storage platform, referrals etc.**
13. They are also responsible for contacting the Regional Trustee at least once per quarter to provide the Trustee with Area reports and updates.
14. Delegates **and Alternate Delegates** must ensure that they have been credentialed by their Area Chairperson or an authorized individual upon election, ~~but~~ no later than 30 days prior to the WSC, providing their full name, email address, phone number, and the number of votes they carry. If attending, Delegates must also ensure they are Registered a minimum of 30 days prior to WSC. Note: Alternate Delegates must also be Credentialed and, if attending, Registered online even if they are allocated no vote [0 vote] as this then permits them to accept a proxy vote should the situation arise.
15. Delegates and Alternate Delegates are to access the web-based document storage platform allowing them to review and familiarize themselves with all WSC materials, including Delegate Mailings.

### **Procedure for Delegate/Alternate Election to The Cocaine Anonymous World Service Conference**

1. Delegates and Alternate Delegates are to be elected to the WSC by each Area. Each Area shall have two (2) votes which may be carried by up to two (2) Area Delegates or Alternate Delegate(s), in person or by proxy, as set forth in the Standing Rules for the Cocaine Anonymous World Service Conference. If an Area has more than 25 meetings per week of its groups (excluding H&I), then that Area will be entitled to one additional vote for every fifty (50) meetings per week of its groups (or portion thereof). This takes effect after conference 2026 for all existing areas, and after conference 2022 for new areas recognized at WSC. If an Area has any question concerning the number of votes to which it is entitled, that Area should contact its Regional Trustee. **Areas should ensure that Groups and /or online groups are aligned with only one (1) Area, avoiding inaccurate Delegate counts, and permitted Area votes at Conference.**
2. The purpose of the Alternate Delegate is to assist the Delegate and to assume the responsibilities of the Delegate when necessary. Suggested requirements and qualifications are the same as those for Delegates. Any Alternate who replaces the Delegate at the WSC will remain on the WSC and Regional mailing list as that Area's delegate for the balance of the unexpired portion of the original Delegate's term until the WSO and the Regional Trustee is informed otherwise by the Area Chairperson. Such

3. an Alternate Delegate succeeding to a Delegate position is eligible to run for election to a full Delegate term.
4. The Area must decide at the Delegate election who is eligible to be a Delegate and who is eligible to vote for the Delegate. It is suggested that the GSR, District Officers, Service Committee Chairpersons, Area Officers, and other members who are involved in C.A. service qualify for election. It is further suggested that Delegates have four years of continuous sobriety.
5. The Delegates and Alternate Delegates are to be elected for a term of four (4) conferences, within a period of four (4) consecutive conferences. It is suggested that the spirit of rotation be followed.
6. When necessary, Delegate elections are to be held 120 days prior to the World Service Conference. It is recommended that all new Delegates for the current WSC be elected prior to the Regional Service Assembly.

## The C.A. Region

### Description

A Region is defined as a loosely structured division of areas, from which a Regional Trustee comes to the World Service Board of Trustees. A Region's purpose is inter-Area communication, and selection of CAWS Regional, At-Large, **World Service** and Non-Addict Trustee candidate nominees. The regions currently recognized by the WSC are designated by the list located on page 41.

An Area requesting a change of Region must be approved by the WSC and must submit a completed "Petition to Change Region". An Area or a group of Areas seeking recognition as a new Region must be approved as such by the WSC and must submit a completed "Petition to Become a Region."

### Requirements to Change Region or Become a Region

1. Approval in person or in writing of the GSR from Two-Thirds of the groups in the Petitioning Area(s).
2. Two-Thirds approval in person or in writing of all World Service Delegates from the Petitioning Area(s).
3. Submission of a Petition not later than 90 days prior to the World Service Conference and approval thereof.
4. A change of Region or recognition of a new Region will become effective at the end of the World Service Conference at which it was approved.
5. The Petition is subject to the then current deadlines and requirements of SR-14.

### Regional Convention

Throughout the year, many Areas within our Fellowship's Regions host a Regional Convention on a rotating basis. In some instances, the regional service assembly is held in

conjunction with these conventions, but not always. The region itself established the rotation of the hosting of these conventions and also how the net proceeds are distributed.

### **Regional Service Assembly**

A Region should hold a Service Assembly at least once per year, preferably five months prior to the annual World Service Conference. The Regional Service Assembly should be hosted by one Area. Attendance is open to all C.A. members; however, voting is exclusive to those members representing the Region: Trustees residing in the Region, WSC Delegates, Alternate Delegate, and Area Chairpersons. Any of these voting members may carry no more than two votes at the Regional Assembly (one proxy pursuant to WSC voting procedures). Voting agenda should include only the selection of Trustee Candidates pursuant to the procedures outlined herein and proposed locations for future Regional

Assemblies. It is suggested that the Regional Assembly adopt the C.A. Manual to govern its proceeding and voting process. The Regional Assembly can then make appropriate modifications.

Possible topics of discussion may consist of:

1. Area and District structure.
2. Finance.
3. Various Committees (see Area/District Committees).
4. Tradition breaks.
5. How to carry the message.

Regional Service Assemblies should be presided over by a Chairperson elected from the voting members at the beginning of the Assembly. The Chairperson shall preside for that Assembly only. Voting Delegates', Alternate Delegates', and Area Chairpersons' expenses to the Regional Assembly should be provided exclusively by their local Areas.

It is suggested that the Region, or Regional Service Assembly, not maintain bank accounts or corporate structure; nor should it sponsor social events. It is however, acceptable for one or more Areas within a Region to present social events.

### **Election of Trustee Candidates by Regional Assembly**

All regions shall annually elect up to four but not less than two candidates to fill Trustee positions as needed. Candidates from each Regional Slate shall be submitted to WSC for ratification by two-thirds vote of the WSC. Where possible the Region should also elect first and second alternate candidates.

The Trustee from the Region shall maintain continuous contact with the Areas during the election process and monitor the status of candidates in order to act accordingly if a candidate becomes "unqualified" or withdraws from candidacy. If a nominee candidate is not present at the Regional assembly, the candidate shall be contacted and their candidacy

confirmed within 7 days of the Assembly. The Regional Trustee must submit names of the candidates to the Trustee Election Committee within 15 days after the Regional Assembly.

Regional Assemblies should consider adopting minimum qualifications for trustee candidates and consider references for service work done for entities outside Cocaine Anonymous.

### **Election Procedures For Regional Trustee Candidates by Regional Assembly**

1. Each Area may submit one or more candidates for consideration to the Region. Each candidate must satisfy existing Trustee qualifications (see: Trustee qualifications, the WSBT service structure) and submit a completed service resume and statement of willingness to serve at the Regional Assembly in order to be considered.
2. The Regional Assembly will consider the candidates submitted by each Area for nomination as Trustee. The Regional Assembly should insure that all candidates submitted are qualified to serve as a Trustee as outlined herein.
3. All regions shall annually elect up to four but not less than two candidates to the World Service Conference (these candidates need not be present in order to be nominated or elected).
4. The slate of qualified candidates submitted shall be considered by the voting members of the Assembly.

#### **A. Maximum Number of Candidates or Less**

1. All candidates will be immediately submitted for two-thirds ratification of the voting members present by secret ballot.

If the required, minimum number of candidates (2 in all Regions) receives a two-thirds affirmative vote, then those candidates receiving a two-thirds affirmative vote shall be submitted by the Region as nominees for Trustee, subject to paragraph 5 below, and the Regional election process is completed.
3. If only one candidate receives a two-thirds affirmative vote, then that candidate and the number of candidates receiving the next highest vote as needed to fill the minimum slate of candidates (2 in all Regions) shall be submitted by the Region as nominees for Trustee, subject to paragraph 5 below, and the Regional election process is completed.
4. If none of the candidates receive a two-thirds affirmative vote, then the candidates receiving the highest affirmative votes as needed to fill the minimum slate of candidates (2 in all Regions) shall be submitted by the Region as nominees for Trustee, subject to paragraph 5 below, and the Regional election process is completed. If there is a tie amongst the candidates needed to fill the minimum slate, then both of the tied candidates shall be submitted by the Region as nominees for Trustee, subject to paragraph 5 below, and the Regional election process is completed.
5. The two candidates receiving the highest number of votes pursuant to the above election process shall be designated as that Region's candidates for Trustee-At-Large. In all Regions but the Pacific South, the four candidates receiving the highest number of votes shall then be considered in the Second Ballot. If the candidates receiving the fourth and fifth highest votes are tied, then the five candidates receiving the highest vote will be considered in the Second Ballot.

In the Pacific South, the six candidates receiving the highest number of votes shall then be considered in the Second Ballot. If the candidates receiving the sixth and seventh highest votes are tied, then the seven candidates receiving the highest vote will be considered in the Second Ballot.

**Second Ballot:**

All remaining candidates will be immediately submitted for two-thirds ratification of the voting members present. If number of candidates being considered is equal to or less than the maximum number of candidates allowed on the Region's slate (6 in Pacific South, 4 in other Regions), then the selection process follows the procedures in subsection "A" above. If more than the maximum number of candidates are being considered, and all candidates receive two-thirds affirmative vote, then vote again for all candidates. If all candidates again receive two-thirds affirmative vote then draw the maximum number of names from a hat and leave the choice to a Higher Power.

## **SECTION II:**

# **Cocaine Anonymous World Services**

### **The Structure of World Services**

The following three branches of service within C.A. constitute World Services:

- World Service Conference
- World Service Board of Trustees
- World Service Office

The basic purposes of World Services are:

1. Communication
2. Coordination
3. Information
4. Consensus

The three branches are interrelated and work together to benefit all of C.A. Each branch functions within its own framework and guidelines.

Only at this level of World Services do we find service bodies designed to deal with situations that involve our entire Fellowship. Even though all parts of the service structure affect and are affected by the C.A. Fellowship, it is only at this level that decisions are made that affect C.A. as a whole. A new concept in service is found at this level; the concept of the non-addict servant. The non-addict servant has important professional and/or other valuable skills to benefit the Fellowship as a whole.

### **World Service Conference**

The World Service Conference (WSC) is the nerve center and voice of our Fellowship. The WSC is the one time each year when all our service branches come together. Unlike all other branches of C.A. service, the WSC is not an entity, it is an event.

At the WSC, the Delegates, the World Service Board of Trustees, and the managers and Directors of the World Service Office meet to discuss ideas and direction for the Fellowship of C.A. as a whole. The WSC can last up to a week; however, the planning and implementation associated with the WSC is a year-round proposition.

The Conference Committee is to provide the planning, organization, logistics, and implementation of the Business Conference to include preparation of the agenda. The Conference Committee will determine the location of the Conference unless otherwise agreed upon by voting Conference members. All World Service Conference contracts must be ratified by the CAWSO Board and executed by two or more board members and/or Trustees.

Each Delegate must be knowledgeable about the needs and feelings of their Area and Region.

From general meetings at the WSC, the Conference divides into various committees where all suggestions, questions, and problems are discussed. These topics include all matters of importance to C.A. as a whole.

Each Delegate serves on a designated Conference Committee of their own selection. It is suggested that each Committee contains at least one Trustee. Any member of Cocaine Anonymous may serve and vote on any World Service Conference Committee, however, each Participant is limited to voting in one committee. Non-delegates may serve as Committee officers. It is recommended when electing Committee Chairpersons that the length of their delegate tenure is considered in order to be fiscally responsible to the fellowship and respectful of Conference budgets. Non-Delegate chair expenses must be incorporated into the committee budget and approved by the committee. Then the approved budget is brought to the Conference floor by the Finance Committee as part of the complete World Service budget for approval. All committee budgets need to be submitted to the Finance Committee by 9 am of the last breakout committee work day.

Conference committee guidelines, policies and procedures are submitted to the Conference for approval, included in the Delegates notebooks, and are available to other interested members of the fellowship.

Conference Approved Literature – a full list of Conference approved literature appears in the Appendix to this Manual.

The Conference Committees are:

1. Conference
2. Public Information
3. Convention
4. Literature, Chips and Formats
5. Hospitals and Institutions
6. Structure and Bylaws
7. Finance
8. C.A. Unity
9. Information Technology
10. Archive

The Conference Charter of C.A. World Service is contained in the Appendix.

### *9. Public Information Committee*

<http://www.ca.org/service/world-service-conference/wsc-public-information-pi-committee>

In all public relations, C.A.'s sole objective is to help the still-suffering addict. Always mindful of the importance of personal anonymity, we believe this can be done by making known to the addict, and to those who may be interested in their problem, our own experience as individuals and as a Fellowship in learning to live without cocaine and all other mind-altering substances.

We believe that our experience should be made available freely to all who express sincere interest. We believe further that all efforts in this field should always reflect our gratitude for the gift of sobriety and our awareness that many outside C.A. are equally concerned with the serious problem of addiction.

The Public Information Committee shall organize an annual Public Information global poster campaign to encourage the fellowship worldwide to become involved in a weeklong event June 1st through the 7th. Order and customize your local posters from PI.CA.ORG.

The Public Information Conference Committee develops, initiates, and plans the means of communication to the public, which is presented to the Conference for Fellowship approval.

21. Materials to be distributed to the fellowship by World Service Conference Committees shall be approved on the Conference floor prior to distribution with the exception of financial budgets.
22. Each Conference shall select a C.A. World Service (CAWS) convention host area for the CAWS convention to be held in the fourth year following such Conference. Each year a minimum of two bids for the CAWS Convention should be presented to the Conference for consideration. If two bids are not received, The Conference may approve a single bid. If a single bid is not approved, the host for CAWS convention for the proposed year will be left vacant until the next Conference. If qualified bids are not received or no host is selected at the next Conference, the CAWS convention for that year will be turned over to the World Service Office and World Service Office Board to plan and execute.

## Referrals

Referrals for consideration by C.A. World Service Conference Committees may be made by any member of the fellowship. Referrals can be submitted either directly via the link at CA.org or with the support of the ASC World Service Delegates.

Referrals are classified in two ways, Current Conference Referrals and Next Year Conference Referrals.

The timeline below illustrates when each referral type applies.  
(See attachment 1)

Referrals are received throughout the year and are recorded and tracked carefully by the C.A. World Service Conference Committee.

The World Service Conference Committee distributes referrals to the WSC Committee selected by the referral maker and tracks referrals that are transferred between committees.

Each WSC Committee addresses its referrals as the committee sees fit; however it is guided in this process by the Standing Rules for the C.A. World Service Conference.

The World Service Conference Committee also collates an annual record of all referrals received throughout the years preceding WSC; this is known as the 'Referrals Master List' which is circulated to all World Service Delegates via the Pre-Conference Delegate Mailing.

WSC Committees work throughout the year on the referrals that they receive and may elect to:

- Bring a motion to the WSC floor for approval
- Keep the referral in committee for further work or research
- Transfer/refer the referral to another WSC Committee or service board
- Decide that the referral is not currently in the best interest of C.A. to pursue at the present time. This response ought to provide an explanation of why

no action will be taken.

It is important that each WSC Committee respond to each referral that it receives including those that remain in-committee from preceding years or have transferred into it from other WSC Committees or service boards as well as new referrals.

Referral responses may be sent directly to the referral maker but must always be included in either the WSC Committees opening or closing Committee report to the C.A. World Service Conference.

All referrals that have been submit to WSC Committees and may result in motions at a World Service Conference must meet WSC Standing Rule requirements.

Current Conference Referrals:

A Current Conference Referral (CCR) is any referral received within the calendar year of the WSC for that same year and prior to the gavel falling at the beginning of that WSC opening conference session.

Next Conference Referrals:

A Next Conference Referral is any referral which is submitted after the gavel falling at the beginning of that WSC opening conference session and prior to the calendar year of the next WSC.

The status of all referrals is to be recorded in the next available closing WSC report immediately after the referral has been received by the WSC Committee that it has been sent to  
*Conference.*

*Special Note: All Conference referrals are now submitted on-line through the applicable on-line Conference portal.*

### **Process to Poll All C.A. Groups as Per Conference Charter / Article 3**

1. Upon authorization by a 2/3rds vote of the World Service Conference (WSC), the Structure and Bylaws Committee (S&B) shall prepare a ballot describing any such change to the Twelve Traditions of C.A., the Twelve Steps of C.A. or Article 10 of the Charter, along with such arguments for and against that it deems proper, along with instructions for Areas and Groups, and present these to the World Service Board of Trustees (WSBT).
2. The WSBT will review this material and may return it to S&B for revision.
3. Upon WSBT approval, the ballot question and all related materials will be submitted to the next WSC for final approval by a 2/3rds vote. This submittal must conform to the Standing Rules of the WSC.
4. Upon WSC approval, the ballots will be disseminated by a Delegate mailing from the World Service Office (WSO) to all known Areas in such a time and manner that every Group therein could expect to have 6 months to consider the requested changes.
5. Groups not yet within an Area, but known to the WSO, shall be sent a ballot directly.
6. Areas (or Districts) shall disseminate a ballot to each and every Group therein, previously validating each ballot with the Area Chair's signature.
7. Groups shall return their ballots as per the instructions provided.
8. Upon the conclusion of the voting period, the WSO will tabulate the votes, resolve any ballot defects by contacting the Area's Delegates or Chair, and report the vote totals, along with the estimated Group response rate, to the WSC S&B Committee and the WSBT. Abstentions received do not affect the percentages for and against but are reported in the response rate.
9. Should 3/4ths of the ballots returned, not counting Abstentions, be in the affirmative, the question, along with the vote counts and estimated percentage the Groups responding will be presented to the WSC for final approval. The WSC may, but is not required to, consider the percentage response rate in its deliberations.
10. A final 2/3rd ratification vote by the WSC causes the change to be put into effect.

## World Service Board of Trustees

### Description

The World Services Board of Trustees (WSBT) has the broadest scope of any branch of our service structure. The responsibility of this Board is to help deal with anything that affects C.A. as a whole, either internally or externally. All things that may endanger the existence of our Fellowship or limit our growth are of concern to WSBT.

The WSBT does NOT govern. Its nature is that of custodian only, providing guidance. The WSBT may consist of both addicts and non-addicts as may be needed for professional areas of expertise and to broaden our perspective. Its members are known as Trustees. The only interest of the Trustees is to serve the best interest of our Fellowship. They are given such authority by and through the World Service Conference.

The WSBT, like the World Service Office, functions as an entity apart from the program. All actions by the WSBT are guided by the Traditions.

The World Service Office is responsible to the WSBT. In order to perform their various functions, the WSBT utilizes a subcommittee system.

The World Service Trustee is the primary signatory of all contracts negotiated by the Trustee Negotiation Committee.

### Responsibilities of the WSBT Subcommittees

These committees are composed of Trustees, Fellowship members, and if needed, a non-addict. Members are selected on a “what they have to offer” basis. Internal structure of the WSBT is different from the rest of the service branches. The Trustees do not represent; they serve.

#### *1. Finance*

Participates in the review and oversight of all WSO financial matters; ensures compliance with existing guidelines and budgets of C.A. World Services.

#### *2. Legal*

On an ‘as needed’ basis, this committee investigates the legal implications of any business of C.A. World Services. This includes, but is not exclusive, to copyright, royalty and vendor licenses agreements. It is suggested that at least one member of this committee have some knowledge of legal matters.

#### *3. World Service Conference*

This committee, working with the WSO and the World Service Conference Committee, researches future venues for holding the World Service Conference. Also is responsible for bids and contract negotiations in collaboration with the Trustee Negotiating Committee. It is suggested that the World Service Trustee and the Pacific South Trustee sit on this committee. Note: this committee is only active every two years.

#### *4. Trustee Negotiation*

To assist the World Service Trustee by serving as a group conscience in the review of all contracts negotiated on behalf of Cocaine Anonymous, involving the amount of \$500 USD or greater prior to engagement on the part of Cocaine Anonymous. A contract is defined as any signed document between Cocaine Anonymous and any other person(s) or business(es), that indicates a commitment of services or goods between the two defined entities.

#### *5. Trustee Election*

This committee coordinates and oversees the Trustee Election process. See Trustee Election Committee Guidelines for addition information.

#### *6. Long Term Planning*

To plan and guide the future of Cocaine Anonymous to insure that the addict that still suffers can receive the message of recovery. This committee is not limited in participation by current WSBT members and it is suggested that former Trustees be included in this committee.

#### *7. Orientation*

To assist new members of the World Service Board of Trustees regarding the current matters being worked on by the WSBT, review the roles, responsibilities and guidelines for spending and subcommittee projects, board participation and meeting preparation and to serve as a point of contact for any questions regarding their new role as a member of the WSBT.

#### *8. Newsgram*

To review all articles of the NewsGram for tradition violations prior to publication and distribution to the C.A. Fellowship. Work with the WSO, NewsGram Editor, Regional Trustees and designated NewsGram coordinators within the regions to generate articles, poems, anecdotes, etc. for the NewsGram. Topics should include those about; Steps, Traditions, and Concepts, C.A. Finances, Long Term Planning objectives, etc. It is suggested that the WSBT provide one article per quarter for submission to the NewsGram in addition to the Trustee Corner.

#### *9. Outreach*

To work with past members of the WSBT to elicit, on an as-needed basis, their assistance and experience, strength and hope on any of a variety of issues affecting C.A., including, without limitation, soliciting input from the fellowship as a whole on surveys, literature projects, fellowship growth, etc.

#### *10. International Structure and Development*

To examine structure trademarks, expansion, development, language issues across our fellowship internationally.

The Officers of the WSBT are:

Chairperson  
Vice-Chairperson  
Secretary

The Trustees do not have the authority to control C.A. or to change the nature of the Fellowship. Our Second Concept ensures that major policy decisions can only be made by the group conscience of the World Service Conference.

### **Trustee Nominee Selection, Election Process, and Trustee Term**

#### *Vacancy, Replacement, and Term*

All Trustee positions shall be selected during the regular Trustee elections at the WS Conference, using the slate approved at that Conference. The term of such Trustee positions shall commence immediately following the close of the WSC at which that position is filled, and shall end at the close of the fourth successive WSC. The WSO Trustee term shall end at the close of the second successive WSC. No Regional Trustee, Trustee at Large, Non-Addict Trustee, or World Service Trustee shall serve two terms. The WSO Trustee may serve two consecutive two-year terms.

In the event of a Trustee vacancy for any reason, an individual elected to fill the position shall fulfill a full trustee term. In the interim following a vacancy and prior to a new election, any vacant Trustee position(s) may be filled by any existing Trustee as selected by the WSBT.

#### *Regional Slate*

The Approved Slate of candidates expires when the WSC adjourns.

#### *Conference Approved Slate*

The candidates nominated from each Region shall be submitted to WSC for ratification by two-thirds vote of the WSC, except in the case where written notice is received from a potential Trustee candidate that the said candidate is withdrawing from the election process. Upon receiving such notice, the TEC Chair shall notify the Regional Trustee (or the WSOB Chair in case of the WSOT) and request that said candidates name be removed from the slate prior to such slate being presented to the conference floor for ratification. All candidates who complete the WSC ratification process successfully shall then be considered the Conference Approved Slate of Trustee candidates. This approved slate expires when the WSC adjourns.

The various Trustee Slates shall be submitted to the Conference for ratification as one of the first substantive orders of business. Each Regional Slate, Non-Addict Trustee Slate, WSO Trustee Slate, shall be presented for approval by a single vote of the Conference. The ratification of the Regional Slate also constitutes the ratification of the Trustee-at-Large designees and the WS Trustee. If there is an objection to the slate, or any individual on the slate, then each individual on the slate will be considered separately.

## Trustee Election Committee

Final selection of a Trustee shall be made by a Trustee Election Committee (TEC) consisting of the following: Full Board of Trustees and one WSC Delegate from each Region (currently eight).

All Trustees, except the WSO Trustee, shall be selected from the Conference Approved Slate pursuant to the procedures outlined in this Manual. 7. If a Delegate cannot fulfill their term for any reason, the Region must replace the Delegate for the balance of the term.

### **TEC Guidelines For The Election Process**

Procedures for all Trustee elections by the Trustee Election Committee

All members of the TEC must either be present for each interview or listen to the recording of any interview for which they are not present. If a TEC member misses more than two questions of an interview, that member will be required to listen to the recording of that interview in order to participate on the vote for that trustee position. If, for some reason, a member of the TEC is unable to be present for a candidate interview and/or listen to the recorded interview, then that TEC member shall not participate in the election for that slate. All service resumes should be submitted on the approved service resume form.

1. The TEC Chairperson shall conduct the elections and also be eligible to cast a vote on each ballot. The TEC Chairperson may also participate in the discussion phases of the election process.
2. Discussion of the candidates.
3. All voting will be done by secret ballot. TEC members have the choice of either voting for one candidate or voting for none of the candidates. Abstentions will not be considered a vote, and the election will be affirmed by two-thirds of the voting members.
4. **First Ballot:** If a candidate receives 2/3 of the vote, that candidate is the elected Trustee. If not, proceed.
5. Discussion of the candidates.
6. **Second Ballot:** Run-off between the top two (2) vote-receiving candidates. (If, on the first ballot, there is a tie among the candidates, all candidates receiving the top two (2) amounts of votes will be included in the run-off. For example, if A receives six (6) votes, B receives three (3) votes, C receives three (3) votes, and D receives two (2) votes, the run-off includes A, B, and C). If a candidate receives 2/3 of the vote, that

person is the elected Trustee. If no candidate receives 2/3 of the vote, then continue.

7. Discussion of the candidates.
8. **Third Ballot:** Run-off between the top two (2) vote-receiving candidates (same procedure as second ballot). If a candidate receives 2/3 of the vote, that person is the elected Trustee. If no candidate receives 2/3 vote, then continue.
9. Discussion of the candidates.
10. **Fourth Ballot:** If no candidate receives 2/3 vote on the first three (3) ballots, the top vote-receiving candidate is put up for 2/3 ratification vote. For ratification purposes, TEC members have the choice of either voting “yes” or “no”; abstentions will not be considered a vote. If that candidate receives the required 2/3 vote, then that person is the elected Trustee. If not, the same procedure will take place with the 2nd top vote-receiving candidate.
11. If neither candidate receives the required 2/3 ratification vote, the position will remain open until the next Conference. The members of the Board of Trustees will assume the duties of that position.
12. Once the candidate has been selected, it is the responsibility of the TEC Chairperson to first notify those candidates that are not selected for the position that they were not selected. After all candidates not chosen have been notified, the TEC Chair will inform the chosen candidate. After all candidates have been notified, the new trustee will be announced to the Conference floor.

4. Sits on all active steering committees (as a non-voting member) of all CAWS conventions in the planning stages.
5. Works closely with the respective Hotel Liaison of the various CAWS conventions for planning interface, room assignments, review of final invoicing, daily charges and signoffs during the convention.
6. Works with the Conference Committee when needed to help obtain hotel bids for any and all cities which might want to host the conference, and then is the key contract negotiator with the members of the conference committee to finalize the contracts for review by the TNC.
7. Serves as an active member of both the World Service Conference Convention Committee and the World Service Conference Conference Committee.
8. Works closely with the WSOB to craft revisions to the existing guidelines and manuals to allow for expanded and more robust regional programming and perhaps programming around the C.A. world hosted /sponsored by the WSO.

#### *Director of Resources & Project Development*

1. Duties/job description of the WSO Director of Resources & Project Development shall be determined and administered by the WSBT and the WSOB Chair.

#### *Director of Operations*

1. Duties/job description of the WSO Director of Operations shall be determined by the WSOB and administered through the WSOB Chairperson.
2. A current job description shall be maintained on file at the WSO.
3. Sits on a committee of the WSC.

“It is suggested that all WSOB directors step down from, and refrain from participation as a World Service Conference Committee Chairperson, or in regional, area, and district commitments other than group level or H&I panel level.”

In the event the WSOB Chair and Vice-Chair positions are both vacant, the WSOT will assume all Chair duties and responsibilities. The WSOT shall not concurrently serve as Chairperson of the WSOB except on a temporary basis, not to exceed 120 days. The WSO Trustee shall not serve as the Chair or Vice-Chair of the WSBT in order to eliminate any possible conflict of interest.

Each CAWSO board member shall serve a two-year term and be ratified no less than once per year at a meeting by each of the CAWSO board and WSBT. Such ratification vote or votes can be called for by a two-thirds majority of members of either board at **any other time during the year. In voting, if two-thirds of either Board does not ratify the entire slate of CAWSO Board members by secret ballot, then it goes to voting on the individual CAWSO Board members by secret ballot. If a CAWSO Board member does not receive two-thirds ratification by secret ballot voting, they are not ratified.** If a

CAWSO board member is not ratified and does not resign at the request of the WSBT the WSBT will compose a list of reasons for non-ratification and present that list to said CAWSO Board Member. Said CAWSO Board member(s) will then be given the right to appeal their non-ratification to the WSBT and address the documented reasons. The WSBT will hear the appeal(s) at the earliest opportunity and will vote again by secret ballot at the end of the appeal(s) process as to whether the CAWSO Board member should be removed from their position. If said CAWSO Board member(s) does not achieve a two-thirds vote for removal by secret ballot, they will remain as a member on the CAWSO Board. the WSBT may remove said CAWSO member by a two-thirds

majority vote. The first term of each CAWSO Board member begins upon ratification by the WSBT and ends at the close of the third WSC. No member shall serve more than three consecutive terms. For the purposes of this paragraph the term "CAWSO Board member" is synonymous with "WSOB member" and shall not include paid Directors, nor the World Service Trustee. In the case of the World Service Office Trustee, when elected Trustee, the WSO Trustee shall not serve more than four consecutive years on the WSBT and:

1. If less than two terms remain as a WSOB member, the WSOT term will not exceed the remaining years on the WSOB or;
2. If more than two terms remain as a WSOB member, the WSOT term will not exceed the four-year WSBT limitation.

All actions regarding the WSOB terms, nominations and elections shall be reflected in the WSOB minutes.

The WSOB as a whole shares responsibility for reviewing and publishing all WSO publications, i.e., the NewsGram, directories, etc.

The WSO and the WSOB also have specific responsibilities with regard to Conference approved literature as set forth in the C.A. Pamphlet Approval Process, C.A. Pamphlet Publication Process, and C.A. Book Approval Process, all of which may be found in the WSC Literature, Chips, and Formats Committee Guidelines.

All WSO Directors serve on the WSO Spending Committee. **The Spending Committee guidelines are as follows:**

1. The purpose of the Spending Committee is to research and approve all expenditures over \$500.00.
2. Purchasing guidelines are:
  - a. A minimum of three independent bids per item over \$500.00 shall be obtained.
  - b. A majority vote by the WSOB is required for approval of expenditure and must be obtained after an informed discussion.

The WSOB has authority during the CAWS fiscal year to authorize spending relative to a specific line item, money greater than authorized in the Conference approved budget, so long as:

1. The specific Committee, office, or Trustee total period budget is not exceeded; and
2. The total period CAWS budget is not exceeded with the following exception:

3. Spending on purchases of books, chips, literature, and merchandise when a line item's sales have exceeded its budgeted amount. In no case shall the line item expense exceed a 10% increase.

The WSOB has the authority to determine pricing of inventory items.

## Cocaine Anonymous World Service Conference Charter

1. **Purpose:** The World Service Conference of Cocaine Anonymous is the guardian of the world services and of the Twelve Steps and Twelve Traditions of Cocaine Anonymous. The Conference shall be a service body only, never a government for Cocaine Anonymous.
2. **Composition of World Service Conference:** The World Service Conference shall be composed of Area Delegates, the World Service Board of Trustees, Directors of the World Service Office, staff members of the World Service Office, and any other members of the Fellowship who wish to attend.
3. **Conference Relation to C.A.:** The Conference will act for C.A. in the perpetuation and guidance of its world services, and it will also be the vehicle by which the C.A. movement can express its view upon all matters of vital C.A. policy and all hazardous deviations from C.A. Tradition. Delegates should be free to vote as their conscience dictates; they should also be free to decide what questions should be taken to the Group level, whether for information, discussion, or their own direct instruction.

But no change in Article 10 of the Charter or in the Twelve Traditions of C.A., or in the Twelve Steps of C.A. may be made except by first asking the consent of the known C.A. Groups of the world. [This would include all C.A. Groups known to the recognized Areas around the world.] These Groups shall be suitably notified of any proposal for change and shall be allowed no less than six months for consideration thereof. And before any such Conference action can be taken, there must first be received in writing within the time allotted the consent of at least three-fourths of all those Groups who respond to such a proposal (not counting abstentions)

4. **Conference Relation to the World Service Board of Trustees and its Corporate Services:** It will be understood, as a matter of tradition, that a two-thirds vote of a Conference quorum shall be considered binding upon the World Service Board of Trustees and its related corporate services. A quorum shall consist of two-thirds of all the voting Conference members registered and present.

But no such vote ought to impair the legal rights of the World Service Board of Trustees and the service corporation to conduct routine business and make ordinary contracts relating thereto. It will be further understood, regardless of the legal prerogatives of the World Service Board of Trustees, as a matter of tradition, that a three-quarters vote of all the voting Conference members registered and present may bring about a reorganization of the World Service Board of Trustees and the Directors and staff members of its corporate services, if or when such reorganization is deemed essential. The term "reorganization" shall mean the removal of one or more Trustees and/or directors.

Under such a proceeding, the WSC may:

- a. request resignations of WSBT and/or WSOB members,
- b. remove members of WSBT and/or WSOB,

- c. nominate new Trustees and/or WSOB members;
  - d. make all other necessary arrangements, regardless of the legal prerogatives of the World Service Board of Trustees.
5. **Delegate Elections:** Area Delegate elections are held by Area service committee meetings or assemblies composed of elected General Service Representatives of all C.A. Groups desiring to participate, District Officers, Area Officers, Service Committee Chairpersons, and other members who are involved in C.A. service. Area Delegate elections may be held as needed 120 days prior to the next World Service Conference.
  6. **Term of Office of Delegates:** The Area Delegates are to be elected for a term of four (4) Conferences. It is suggested that the spirit of rotation be followed. (WSC Amendment, 1996)
  7. **Annual Meeting:** The Conference will meet at least once a year unless otherwise agreed upon by voting Conference members. Special meetings may be called as necessary by voting Conference members. The Conference may also render advisory opinions at any time by mail or telephone poll in aid of the World Service Board of Trustees or its related services.
  8. **The World Service Board of Trustees: Composition, Jurisdiction and Responsibilities:** The World Service Board of Trustees of Cocaine Anonymous shall be an incorporated trusteeship, composed of addicts and non-addicts whose successors are elected by the Trustee Election Committee, these choices being subject, however, to the approval of the Conference. The World Service Board of Trustees is the chief service arm of the Conference and is essentially custodial in its character. (WSC Amendment, 1992)

Except for decisions upon matters of policy, finance, or C.A. Tradition, liable seriously to affect C.A. as a whole, the World Service Board of Trustees has entire freedom of action in the routine conduct of the policy and business affairs of the C.A. service corporations and may name suitable committees and elect Directors to its subsidiary corporate service entities in pursuance of this purpose.

Except in great emergency, neither the World Service Board of Trustees nor any of its related services ought ever to take any action liable greatly to affect C.A. as a whole without first consulting the Conference.

9. **The World Service Conference: Its General Procedures:** The Conference will hear the financial and policy reports of the World Service Board of Trustees and its related corporate services. The Conference will advise the Trustees, Directors, and staff members upon all matters presented as affecting C.A. as a whole, engage in debate, appoint necessary committees, and pass suitable resolutions by a two-thirds majority of voting members present for the advice or direction of the World Service Board of Trustees and its related services.

The World Service Conference Charter, the Bylaws of Cocaine Anonymous World Services, Inc., and the World Service Conference Standing Rules, or any amendments thereto, should always be subject to the approval of the World Service Conference by a two-thirds vote of all its voting Conference members present.

The Conference may also discuss and recommend appropriate action respecting serious deviations from C.A. Tradition or harmful misuse of the name "Cocaine Anonymous."

The Conference may draft any needed Bylaws and will name its own officers and committees by any method of its own choosing.

The Conference at the close of each yearly session will draft a report of its proceedings, to be supplied to all Delegates and committee members; and also a condensation thereof, which will be sent to C.A. Areas throughout the world.

10. **General Warranties of the Conference:** In all its proceedings, the World Service Conference shall observe the spirit of the C.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Cocaine Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Cocaine Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

(Effective November 15, 1987; Passed by the Fourth WSC)

## Conference Parliamentary Procedure Guidelines

*(Adapted from Robert's Rules of Order)*

The purpose of parliamentary procedure is:

*“...to permit a majority to accomplish its ultimate purpose within a reasonable period of time but only after allowing the minority reasonable opportunity to express its views on the question at issue.”*

*- Lehr Fess, Former Parliamentarian, U.S. House of Representatives*

This brief summary of parliamentary procedure, drawn largely from Robert's Rules of Order, was prepared for use at the World Service Conference. The Conference believes that it may also be of use to Areas and Districts. Please use it in the spirit that it is intended; to aid in the orderly conduct of business meetings. It does not replace or take precedence over a charter, bylaws, standing rules, or the principles upon which the traditions, the steps and the Twelve Concepts for Service are based.

A potential exists for one or more people to use parliamentary procedure to control and/or otherwise manipulate a group away from its intention. Scrupulous and incessant attention to principle is the only way to prevent these guidelines for business meetings from being used to circumvent or unjustly influence the Group Conscience.

### Recognition

A member desiring to speak or make a motion shall raise their hand until recognized by the Chairperson. For motions not requiring recognition, the member must stand and speak, interrupting the current speaker. The ONLY motions where this is in order are:

1. **Objection to Consideration**
2. **Appeal from Decision**
3. **To Rise to a Point of Order**

## 4. Parliamentary Inquiry

### Main Motions

A Main Motion is any motion that brings business before the Conference. Main Motions must be seconded, are debatable and require a majority vote for adoption. Main Motions should be simply worded and not include arguments for their adoption. Complicated or long motions may be divided by a Motion to Divide so that portions of the Main Motion may be debated and voted upon separately.

#### *Friendly Amendment*

The offering and acceptance of “friendly” amendments is a regular practice on the Conference floor. Speakers are permitted to suggest changes to the wording, grammar, punctuation or minor changes in the content of Main Motions as practiced by the Conference, if accepted by the maker of the Main Motion and there are no objections from the floor, the changes are added to the Main Motion without a separate vote. If there is an objection, a Motion to Amend may be made.

#### *Amend*

Main Motions and the Motions to Limit Debate and Refer to Committee may be amended. Motions to Amend must be seconded, are debatable and require a majority vote for their adoption. Amendments to amendments are permitted but an amendment to an amendment may not be amended.

#### *Lay on The Table*

A motion tabled may not be taken from the table the same day. “Tabling” therefore has the effect of postponing action on the motion in question. The Motion to Table requires a second, but is not debatable. It requires a majority vote to Table.

#### *Refer to Committee*

Motions may require the attention of a standing committee (which always exists) or an ad hoc committee (created for a special purpose). The Motion to Refer must be seconded, is debatable and requires a majority to adopt. A motion “referred to committee” may be renewed on the floor after review by the committee.

#### *Close (or Limit) Debate*

Otherwise known as “Calling the Question,” the Motion to Close Debate and vote immediately on the Main Question requires a second, is not debatable and requires a 2/3rds majority to pass. The Motion to Limit Debate to, for example, 20 minutes, applies only to the Main Motion being considered and requires a 2/3rds majority.

#### *Withdraw The Current Motion*

A member making a motion may decide, after it has been seconded that they wish to withdraw the motion. The Chairperson will ask for objections. If there are any, the Chair will call for a vote on whether to allow the motion to be withdrawn. The Withdraw Motion is not debatable and requires a majority of those voting for adoption.

#### *Reconsider*

A Motion to Reconsider a previous vote, if successful, returns the previous motion to the

floor as if no vote had ever been taken, and debate begins anew. The Motion to Reconsider may only be made and seconded by members who voted with the prevailing side. The Motion to Reconsider must be made in the same day as the motion being reconsidered. It is debatable, if the motion to which it applies was debatable. Adoption of a Motion to Reconsider requires a simple majority vote. No motion may be twice reconsidered.

#### *Rescind (Passed Motion)*

The Motion to Rescind, unlike the Motion to Reconsider, overturns the passage of the previous motion. If the Motion to Rescind succeeds, the affected motion (which previously passed) now fails. Any member may make or second a Motion to Rescind, and it may apply to any motion passed at any time during the Conference. It requires a second and is

debatable. It requires a 2/3 vote, to pass unless at least one day's notice is given of the attempt to rescind. If previous notice is given, only a simple majority is required to adopt.

#### *Suspend The Rules*

This Motion must be qualified by stating why the rules should be suspended, i.e. to consider a motion out of order of the agenda or accepted procedure. Suspending the rules may not be used to bypass the charter or bylaws, but may be used to suspend the effect of standing rules or previous motions. This motion is not debatable; it requires a second and must be passed by 2/3 majority. It is in effect only until the reason for suspension is resolved.

#### *Objection to Consideration*

Occasionally, a ridiculous, offensive or repugnant motion is made by an obstreperous member to insult or otherwise waste the Conference's time. A member may rise without being recognized, saying, and "Madame/Mr. Chairperson, I object to the consideration of this motion." This motion requires no second and is not debatable, and must be made before debate starts. The Chairperson must immediately call for a vote. If more than one third vote for the consideration of the motion, the objection is overruled.

#### *Appeal From Decision*

Any decision by the Chairperson (or Parliamentarian) may be appealed. The appeal is debatable only if the challenged decision refers to a debatable motion. The appeal requires a second and a majority vote reverses the decision of the Chair. All appeals must be made immediately after the decision in question.

### **Requests And Inquiries**

1. **Parliamentary Inquiry-** A member who has a question regarding parliamentary procedures, rules of order, and items in the World Service Manual or parliamentary strategies may make a parliamentary inquiry of the chair. Without being recognized by the chair, a member may rise saying "Madame/Mr. Chairperson, I have a parliamentary inquiry." The question must be related to the business at hand and asks for the opinion of the chair. It is not a ruling of the chair and cannot be appealed. If a motion is made despite the chair's opinion, and the chair then rules the motion out of order, that ruling may be appealed.
2. **Point of Order-** A member who feels that the parliamentary procedure is out of

order may rise saying “Madame/Mr. Chairperson, I rise to a point of order!” When the chairperson asks for their point, (s)he states where a motion is out of order, where a parliamentary procedure is incorrect, where a proposed motion violates the charter, a previously enacted bylaw, a standing rule or a motion. The Chairperson immediately rules on the validity of the point, subject only to appeals.

3. **Point of Information-** A “Point of Information” is a request for information about a motion or the suspected impact of a motion being considered.

#### *Motion to Adjourn (Recess)*

The Motion to Adjourn is debatable only when there are no other motions before the Conference. It is in order only when the time for the next meeting has been determined. To adjourn for a short period (Recess), the motion to Recess may be made. The duration of the Recess is required in the motion. It is advisable that the reason for the Recess be stated.

**Example:** I move we recess until 1 PM for lunch.

**Example:** I move we recess for 15 minutes to get coffee.

#### **Rules For Votes on Motions**

##### *Quorum*

A quorum shall be defined to be 2/3 of the Conference votes present at Roll Call for that particular Conference Session. The membership of the Conference shall be determined by a call of the roll at the first regularly scheduled session of each Conference day. It is the Chairperson's responsibility to verify that a quorum is present whenever there is a vote on any motion. A member doubtful of the quorum may rise to a Point of Order by saying, “I question the quorum” or “I challenge the quorum.” Rules and precedence are the same as for Rise to a Point of Order. NOTE: A quorum is not necessary for discussion, debate, or committee reports.

##### *Pass/Fail*

A simple majority is defined to be 50 % plus 1 of votes cast excluding abstentions. Most motions require only a simple majority. The following motions require a 2/3rds margin:

- Motion to Close (or Limit) Debate
- Motion to Suspend the Rules (Charter or Bylaws)
- Motion to Object to the Consideration

Determination of whether a motion passes or fails shall be as follows:

- If AYES > NAYS then Motion passes.
- If AYES < NAYS then Motion fails.
- If AYES = NAYS then Chairperson casts deciding vote.

#### **Methods: Voting shall be by one of five methods.**

1. **Voice:** If the Chairperson or a member is in doubt of the outcome, either may call “Division” of the House. The Chairperson will then call for show of Hands.
2. **Hands:** The Chairperson makes a visual inspection of hands raised for and against and declares the result. Questionable results will be counted.

3. **Count:** The Chairperson shall appoint two assistants to help count the votes. When all three counters agree, the outcome will be announced.
4. **Secret:** Rarely used, but the Chairperson may call for a ballot where the anonymity of votes is considered important.
5. **Electronic:** To be used at the discretion of the Chairperson.

The Chairperson decides which method of voting will best serve the interests of the Conference, except when a Division of the House is called.

### **Elections**

The Chairperson shall call for elections where necessary or as the agenda specifies. The procedure shall be to ask for nominations from the floor. Nominations must be seconded. After a cogent pause in nominations, the Chairperson shall ask someone to move that nominations be closed. This requires a second before voting. The Chairperson shall determine if those nominated shall speak. The election shall proceed after the candidates have left the room. If one candidate does not receive a majority of the votes, the two receiving the most votes shall remain outside the room while a runoff election is held. If a secret ballot is held, it is not necessary for the candidates to leave the room.

## SECTION III: Appendices

### Bylaws of Cocaine Anonymous World Services, Inc.

The Board of Directors of Cocaine Anonymous World Services, Inc. (hereinafter referred to as the “World Service Board” or “W.S.B.”) has but one purpose — that of serving the Fellowship of Cocaine Anonymous. It is in effect an agency created and designated by the World Service Conference of Cocaine Anonymous to maintain services for those who seek, through Cocaine Anonymous, the means for arresting the disease of addiction through the application to their own lives, in whole or in part, of the Twelve Steps which constitute the recovery program upon which the Fellowship of Cocaine Anonymous is founded. These **Twelve Steps** are as follows:

1. We admitted we were powerless over cocaine and all other mind-altering substances — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

<sup>4</sup> THE TWELVE STEPS OF ALCOHOLICS ANONYMOUS: 1. We admitted we were powerless over alcohol— that our lives had become unmanageable. 2. Came to believe that a Power greater than ourselves could restore us to sanity. 3. Made a

decision to turn our will and our lives over to the care of God, as we understood Him. 4. Made a searching and fearless moral inventory of ourselves. 5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs. 6. Were entirely ready to have God remove all these defects of character. 7. Humbly asked Him to remove our shortcomings. 8. Made a list of all persons we had harmed, and became willing to make amends to them all. 9. Made direct amends to such people wherever possible, except when to do so would injure them or others. 10. Continued to take personal inventory, and when we were wrong promptly admitted it. 11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out. 12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The World Service Board claims no proprietary right in the recovery program, for these Twelve Steps, as all spiritual truths, may now be regarded as available to all mankind. However, because these Twelve Steps have proven to constitute an effective spiritual basis for life which, if followed, arrests the disease of addiction, the World Service Board asserts the negative right of preventing, so far as it may be within its power so to do, any modification, alteration or extension of these Twelve Steps, except at the instance of the Fellowship of Cocaine Anonymous in keeping with the Charter of the World Service Conference of Cocaine Anonymous as the same may from time to time be amended (hereinafter referred to as the “Charter”).

Members of the World Service Conference of Cocaine Anonymous are hereinafter referred to as “Conference Delegates.”

The World Service Board in its deliberations and decisions shall be guided by the **Twelve Traditions** of Cocaine Anonymous, hereinafter referred to as the “Traditions” which are as follows:

1. Our common welfare should come first; personal recovery depends upon C.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for C.A. membership is a desire to stop using cocaine and all other mind-altering substances.
4. Each group should be autonomous except in matters affecting other groups or C.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the addict who still suffers.
6. A C.A. group ought never endorse, finance or lend the C.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every C.A. group ought to be fully self-supporting, declining outside contributions.
8. Cocaine Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. C.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

10. Cocaine Anonymous has no opinion on outside issues; hence the C.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of all public media.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

*(Reprinted and adapted with permission of A.A. World Services, Inc.)<sup>5</sup>*

The World Service Board shall use its best efforts to insure that these Twelve Traditions are maintained, for it is regarded by the Fellowship of Cocaine Anonymous as the custodian of these Traditions and, accordingly, it shall not itself nor, so far as it is within its power so to do, permit others to modify, alter, or amplify these Traditions, except in keeping with the provisions of the Charter.

The World Service Board also shall be guided by the spirit of the **Twelve Concepts** of Cocaine Anonymous, hereinafter referred to as the “Concepts” which are as follows:

1. The final responsibility and the ultimate authority for C.A. world services should always reside in the collective conscience of our whole Fellowship.
2. The C.A. Groups delegate to the World Service Conference the complete authority for the active maintenance of our world services and thereby make the Conference — excepting for any change in the Twelve Traditions — the actual voice and the effective conscience for our whole Fellowship.
3. As a traditional means of creating and maintaining a clearly defined working relation between the Groups, the Conference, the World Service Board of Trustees and its service corporation, staffs, and committees, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of World Service with a traditional “Right of Decision.”

<sup>5</sup> *THE TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS: 1. Our common welfare should come first; personal recovery depends upon A.A. unity. 2. For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern. 3. The only requirement for A.A. membership is a desire to stop drinking. 4. Each group should be autonomous, except in matters affecting other groups or A.A. as a whole. 5. Each group has but one primary purpose – to carry its message to the alcoholic who still suffers. 6. An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose. 7. Every A.A. group ought to be fully self-supporting, declining outside contributions. 8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers. 9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve. 10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy. 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films. 12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.*

4. Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our World Service structure, a traditional “Right of Appeal” ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.
6. On behalf of C.A. as a whole, our World Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the World Service Board of Cocaine Anonymous.
7. The Conference recognizes that the Charter and the Bylaws of the World Service Board are legal instruments; that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Cocaine Anonymous. It is further understood that the Conference Charter itself is not a legal document; that it relies instead upon the force of tradition and the power of the C.A. purse for its final effectiveness.
8. The Trustees of the World Service Board act in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of custodial oversight which they exercise through their ability to elect all Directors of these entities.
9. Good service leaders, together with sound and appropriate methods of choosing them are at all levels indispensable for our future functioning and safety.
10. Every service responsibility should be matched by an equal service authority — the scope of such authority to be always well defined, whether by tradition, by resolution, by specific job description or by appropriate charters and bylaws.
11. While the Trustees hold final responsibility for C.A.'s world service administration, they should always have the assistance of the best possible standing committees and service boards, staffs and consultants. Therefore, the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the system of their rotation, the way in which they are related to each other, the special rights and duties of our staffs and consultants, together with a proper basis for the financial compensation of these special workers will always be matters for serious care and concern.
12. General Warranties of the Conference: In all its proceedings, the World Service Conference shall observe the spirit of the C.A. Tradition, taking great care that the

Conference never becomes the seat of perilous wealth or power; that the sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Cocaine Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Cocaine Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

*(Adapted with permission of Alcoholics Anonymous World Services, Inc.)<sup>6</sup>*

In some instances, the Concepts refer to practices or customs, which may change with the passage of time. The World Service Board should make allowances for such changes in observing the spirit of the Concepts.

The Directors of the World Service Board shall consist of the World Service Board of Trustees. Each Trustee shall automatically become a Director upon qualifying as a Trustee and shall automatically cease to be a Director upon ceasing to be a Trustee of the World Service Board.

<sup>6</sup> THE TWELVE CONCEPTS OF ALCOHOLICS ANONYMOUS: 1. Final responsibility and ultimate authority for A.A. world services shall always reside in the collective conscience of our whole Fellowship. 2. The General Service Conference of A.A. has become, for nearly every practical purpose, the actual voice and the effective conscience for our whole Society in its world affairs. 3. To insure effective leadership, we should endow each element of A.A. - the Conference, the General Service Board and its service corporation, staffs, committees, and executives with traditional "Right of Decision." 4. At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge. 5. Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration. 6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised primarily by the trustee members of the Conference acting as the General Service Board. 7. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct all of the world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness. 8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities. 9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustee. 10. Every service responsibility should be matched by an equal service authority, with the scope of such authority always well defined. 11. The Trustees should always have the best possible committees, corporate service directors, executives, staffs and consultants. Composition, qualifications induction procedures, and rights and duties will always be matters of serious concern. 12. The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth and power; that the sufficient operating funds and reserves be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

As a condition of election as a Director and election as a Trustee of the World Service Board, each person shall, before qualifying to serve as a Director and Trustee, execute an appropriate instrument addressed to the World Service Board of Cocaine Anonymous, stating that he or she agrees to comply with and be bound by all the terms and provisions of these Bylaws.

The Certificate of Incorporation of Cocaine Anonymous World Service, Inc. divides Director Trustees into two categories: non-addicts and addicts.

Non-addict Director Trustees shall be persons who are not and have not been afflicted by the disease of drug addiction and who express a profound faith in the recovery program upon which the Fellowship of Cocaine Anonymous is founded.

An addict Director Trustee is a member of the Fellowship of Cocaine Anonymous who has arrested their addiction and is living so far as they find is possible within the Twelve Steps, which constitute the recovery program.

In the event that any Director Trustee shall resign, or shall die or not be ratified, the Trustee Election Committee shall elect a new Director Trustee at the regular Trustee elections at the next World Service Conference. Notwithstanding the foregoing, Director Trustees are expected, subject to the laws of the State of California and to these Bylaws, at the request of the World Service Conference of Cocaine Anonymous to resign their trusteeship and directorship even though their terms of office as Director Trustees may not have expired.

All Director Trustees shall be ratified by secret ballot no less than once per year at a quarterly meeting of the WSBT. Such a ratification vote can be called at any of the WSBT quarterly meetings by a simple majority vote. Trustee ratification requires a 2/3-majority vote by the WSBT. If a trustee is not ratified the WSBT shall ask for the trustee's immediate resignation. If the trustee is not ratified and does not resign within 48 hours of such request the WSBT shall immediately vote by secret ballot on whether to remove said trustee. *IT IS SUGGESTED THAT CONSIDERATION OF THE VOTE FOR REMOVAL SHALL INCLUDE THE RIGHT TO BE PRESENT AND AN OPPORTUNITY TO BE AFFORDED TRADITIONAL RIGHTS OF APPEAL.* Trustee removal requires a 2/3-majority vote by the WSBT. If there is not a 2/3 majority in favor of removal, the trustee remains on the WSBT. In the event that any trustee shall resign, die, or be removed, the Trustee Election Committee shall elect a new trustee at the regular trustee elections at the next WS conference.

The Board of Trustees shall have all the powers provided for in these Bylaws and those that are vested in a Board of Directors under the laws of the State of California.

The Board of Trustees may by general resolution delegate to committees or to officers of the World Service Board such powers, as they deem appropriate in the service of the purposes to which the World Service Board is dedicated.

The members of the Board, subject to the laws of the State of California, are expected to exercise the powers vested in them by law in a manner consistent with the faith that permeates and guides the Fellowship of Cocaine anonymous, inspired by the Twelve Steps

of Cocaine Anonymous, in accordance with the Twelve Traditions and the Conference Charter of Cocaine Anonymous.

Other than the right to participate in the disposition thereof during the period of directorship, no Director Trustee shall have any right, title, or interest in the property or assets of the World Service Board and their right to vote or otherwise participate in the disposition of property of the World Service shall cease on the termination of their membership and their ceasing to be a Trustee.

The World Service Board may set up new corporate bodies to serve the purpose of Cocaine Anonymous, provided the World Service Board shall own all the capital stock of such corporate bodies, and its structure shall be in keeping with that of the World Service Board of Cocaine Anonymous. Manifestly, the World Service Board is expected to refrain from forming any new corporate body if a majority of the Conference Delegates shall disapprove of its formation.

In order that the World Service Board may more effectively serve the purposes for which it is formed, the Board of Director Trustees shall at its annual meeting, or at any other meeting, if a vacancy shall occur, elect a President, Vice President, Secretary, a Treasurer and any other officers they may deem necessary.

The President shall have those duties generally attributable by law and custom to a President under the laws of the State of California, with such other greater or lesser duties as may from time to time be determined by the World Service Board of Trustees.

The Vice President shall perform the duties of the President in the event of their absence or disability.

The Secretary and Treasurer shall similarly perform those duties generally attributed by law and custom to such offices.

All meetings of the Director Trustees shall take place in the city and county of Los Angeles, unless at a meeting of the Board, the Director Trustees shall decide to hold a future meeting or meetings outside the city of Los Angeles. The actual place and time of day of each meeting shall be determined by the President.

At least 10-days notice of the time and place of all meetings shall be given by mail signed by the President, or, at their request, by the Secretary. The President, at the time of the mailing of notices, shall determine the order in which matters shall be dealt with at all meetings, and he or she, or a majority of the Directors present at any meeting may decide to modify such order.

Whenever, in the judgment of one-third of the Director Trustees present at a meeting, a decision to take any action involves a matter of principal or basic policy and in the judgment of at least one-third of the Director Trustees a delay in arriving at a decision will not adversely affect the Fellowship of Cocaine Anonymous, the matter shall be submitted to a mail vote of Conference Delegates, and if a majority of the Conference Delegates votes

against the taking of such action, then the Board of Directors will be expected to refrain from deciding to take such action.

Whenever a mail vote is taken of Conference Delegates, at least two-week notice shall be given, and the vote shall be determined in keeping with an analysis of such vote by the President and Secretary, or in their absence, by the Vice President and Treasurer, at the end of such two-week period. An announcement of the result of such vote shall thereupon be mailed by the Secretary or Treasurer to Conference Delegates and to Director Trustees.

At all meetings of Director Trustees, two-fifths of the Director Trustees shall be sufficient to constitute a quorum for the conduct of the affairs of the World Service Board, and the vote of a majority of the Trustees present at any meeting at which there is a quorum shall, except as otherwise may be provided by these Bylaws or by statute, constitute a decision of the membership of the Board of Directors, as the case may be. If at any meeting there is less than a quorum present, a majority of those present may adjourn the meeting to a time to be fixed by those present, without further notice to any absent Directors.

No Director of the World Service Board shall at any time have any right, title, or interest in and to the funds or property of Cocaine Anonymous World Services, Inc.

The Articles of Incorporation of Cocaine Anonymous World Services, Inc. and these Bylaws may be amended by the affirmative vote of 75 percent of all members of the Board of Directors. However, in keeping with the spirit and principles of the Fellowship of Cocaine Anonymous, the Board is expected, although not legally required, to submit any amendment or amendments of the Articles of Incorporation and of these Bylaws to Conference Delegates, either by mail or at the annual meeting of the World Service Conference of Cocaine Anonymous. If the Board of Directors may determine, and if a majority of such Delegates disapprove of such amendment or amendments, the Director Trustees are expected to refrain from proceeding therewith. Where, however, an amendment or amendments are submitted to Conference Delegates and are not disapproved as foresaid, the amendment or amendments shall require the affirmative vote of only a majority of the members of the Board of Directors present at a meeting of the World Service Board.

## Advisory Opinion

In addition, the World Service Conference has passed the following Advisory Opinions:

August 20, 1989:

*“The books Alcoholics Anonymous and Twelve Steps And Twelve Traditions of Alcoholics Anonymous are two of our most valuable tools of recovery and as such, it is the opinion of Cocaine Anonymous that meetings should be allowed to have these books available to support members in their recovery.”*

September 4, 2004:

*“The book “A.A. Service Manual,” combined with the “Twelve Concepts For World Service” is a valuable tool of recovery in service, and as such, it is the opinion of Cocaine Anonymous that meetings and service meetings within the fellowship should be allowed to have this book available to support the members in their recovery.”*

Referrals for consideration by C.A. World Service Conference Committees may be made by any member of the fellowship. Referrals can be submitted either directly via the link at CA.org or with the support of the ASC World Service Delegates.

Referrals are classified in two ways, Current Conference Referrals and Next Year Conference Referrals.

The timeline below illustrates when each referral type applies.

Referrals are received throughout the year and are recorded and tracked carefully by the C.A. World Service Conference Committee.

The World Service Conference Committee distributes referrals to the WSC Committee selected by the referral maker and tracks referrals that are transferred between committees.

Each WSC Committee addresses its referrals as the committee sees fit; however it is guided in this process by the Standing Rules for the C.A. World Service Conference.

The World Service Conference Committee also collates an annual record of all referrals received throughout the years preceding WSC; this is known as the ‘Referrals Master List’ which is circulated to all World Service Delegates via the Pre-Conference Delegate Mailing.

WSC Committees work throughout the year on the referrals that they receive and may elect to:

- Bring a motion to the WSC floor for approval
- Keep the referral in committee for further work or research

- Transfer/refer the referral to another WSC Committee or service board
- Decide that the referral is not currently in the best interest of C.A. to pursue at the present time. This response ought to provide an explanation of why no action will be taken.

It is important that each WSC Committee respond to each referral that it receives including those that remain in-committee from preceding years or have transferred into it from other WSC Committees or service boards as well as new referrals.

Referral responses may be sent directly to the referral maker but must always be included in either the WSC Committees opening or closing Committee report to the C.A. World Service Conference.

All referrals that have been submit to WSC Committees and may result in motions at a World Service Conference must meet WSC Standing Rule requirements.

Current Conference Referrals:

A Current Conference Referral (CCR) is any referral received within the calendar year of the WSC for that same year and prior to the gavel falling at the beginning of that WSC opening conference session.

Next Conference Referrals:

A Next Conference Referral is any referral which is submitted after the gavel falling at the beginning of that WSC opening conference session and prior to the calendar year of the next WSC.

The status of all referrals is to be recorded in the next available closing WSC report immediately after the referral has been received by the WSC Committee that it has been sent to
